Coastal Realty of South Florida in Delray Beach, is redefining success in the real estate market through his unique blend of sportsmanship and professional expertise. With active real estate licenses in both Colorado and Florida, Mark specializes in guiding buyers and sellers through seamless transactions, ensuring their best interests are represented from negotiations to contract execution.

A Miami native, Mark's journey began at the University of Miami before he joined the NFL, playing for the Denver Broncos and the Tampa Bay Buccaneers. Since 1988, he has been involved in real estate, initially working with a publicly traded company in industrial park development while still playing football. Today, he brings over three decades of experience to the table, specializing in residential sales across the Denver area and various counties in Southeast Florida, including the stunning Florida Keys.

Armed with a Master's Degree in Real Estate and an array of prestigious credentials—Accredited Buyer's Representative, Certified Real Estate Brokerage Manager, Certified Residential Specialist, Graduate REALTOR® Institute, Luxury Property Specialist, and e-PRO—Mark is exceptionally equipped to advise high-net-worth clients, developers, and builders on real estate projects and portfolios. His extensive expertise spans the acquisition, financing, design, and marketing of various property types, including luxury estates, residential communities, single-family homes, condos, and townhomes.

Mark attributes his success to the perseverance and problem-solving skills he honed as an NFL player. His tech-savvy approach allows him to anticipate potential issues before they arise, ensuring that transactions are handled smoothly. His dedication has earned him accolades such as the Presidents Elite awards for over 20 years, the 5 Star Agent Award since its inception, and a ranking in the top 3% of real estate agents nationwide.

In addition to his thriving real estate career, Mark is an accomplished outdoor writer, published in notable publications like the Redbone Journal, The Denver Post, Florida Sportsman, Traveling Sportsman, The Key West Magazine, Jet Set Magazine, and ESPN Saltwater Magazine. He is also the founder of the Rocky Mountain Fly Fishing Classic, which is in its 20th year and has raised approximately \$50,000 annually for Cystic Fibrosis research.

An avid diver and tournament fisherman both inshore and offshore, Mark enjoys fishing the Florida Keys, Caribbean, Central America, and both coasts of Florida, sharing these passions with his sons. With a commitment to treating every client transaction as if it were his own, Mark Cooper is not just a real estate professional but a lifelong friend to those he serves.
