

MTG Philippines and Spirit of Math Partner to Bring International Spirit of Math Contest to the Philippines

For the 2024-25 School Year

Toronto, Ontario Oct 23, 2024 ([IssueWire.com](https://www.issuewire.com)) - The Mathematics Trainers' Guild, Philippines ([MTG Philippines](#)) and [Spirit of Math](#) are thrilled to announce an exciting collaboration that will bring the International Spirit of Math Contest to the Philippines for the 2024-25 school year.

The partnership is a continuation of Spirit of Math's unwavering commitment to promote co-operation, inspire confidence and release the genius in every child all around the world. This collaboration aims to foster a love for mathematics and a deeper appreciation for the subject in Filipino students, particularly for those in underprivileged and underrepresented K-12 populations.

"At Spirit of Math, we believe the best learning happens in dynamic and engaging learning environments," said [Kim Langen](#). "We are proud to support MTG Philippines in their efforts to empower Filipino youths towards excellence and provide a platform for students to showcase their abilities at the highest levels of competition."

MTG Philippines, a non-profit organization of volunteer mathematics teachers committed to promoting excellence in mathematics education, has provided advanced mathematics competition training to public and private students since 1995. By partnering with Spirit of Math, an innovative leader in education, MTG Philippines continues its mission to institutionalize excellence in mathematics education and training throughout the Philippines, meeting international standards.

"We are pleased to partner with Spirit of Math to provide students with this incredible opportunity," said Dr. Simon L. Chua, CEO of MTG Philippines. "Contests like the International Spirit of Math Contest provide a platform for students to challenge themselves, showcase their abilities and earn recognition for their achievements."

The partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the world. Competitive events such as these offer children an excellent opportunity to develop their analytical, strategic and critical thinking skills for future success. They also get the personal satisfaction of tackling and conquering some of the hardest questions – a real boost of motivation.
