

Poteau Launches in the U.S., Bringing a New Era of Pickup Soccer for Players Nationwide

Los Angeles, California Sep 12, 2024 ([IssueWire.com](https://www.issuewire.com)) - Poteau, the leading app for organizing and joining pickup soccer games, is thrilled to announce its official launch in the United States. With over 50,000 users worldwide, Poteau is set to revolutionize the way Americans play soccer, offering an easy-to-use platform that connects players of all skill levels to local games anytime, anywhere.

As soccer continues to grow exponentially in the U.S., Poteau's launch comes at a pivotal moment. The upcoming **2026 FIFA World Cup**, which will be co-hosted by the U.S., Canada, and Mexico, is set to be the largest in history, featuring 48 teams. This global event is expected to further ignite soccer's popularity across the country. Additionally, **FIFA has moved its Legal & Compliance Division from Zurich to Miami**, reinforcing the city's rising status as an international soccer hub, especially as preparations for the World Cup ramp up [Football Legal](#).

Moreover, the **MLS** (Major League Soccer) continues to grow in global stature, with a surge in viewership and international attention following some big signings, such as **Lionel Messi** joining **Inter Miami CF**. MLS is now one of the fastest-growing and most-watched soccer leagues in the world.

Key Features of Poteau:

Find & Join Games

Users can easily browse and join nearby soccer matches, both indoor and outdoor, within their local community. With just a few taps, you're ready to play.

Create Your Own Games

Poteau empowers players to organize their own matches, invite friends, and extend invitations to other nearby players, making it simple to build a team and get a game going.

Personalized Alerts

Receive real-time notifications about games that match your schedule and location preferences. Never miss out on a game again!

Secure and Reliable

Poteau's facility booking system ensures that matches are confirmed before payment is required, offering users a reliable and secure experience for organizing and participating in games.

Building a Growing Soccer Community

Having hosted over 21,000 matches globally, Poteau is excited to foster a vibrant soccer community in the U.S. With soccer's momentum reaching new heights, from the World Cup to the MLS, Poteau aims to connect enthusiasts of all levels and bring the beautiful game closer to home.

Download Poteau Today

Poteau is now available for download on both the **Apple App Store** and **Google Play Store**. For more information, visit poteau-app.com and start your soccer journey today.
