

Product Release: Upgraded BulletProof Ford 6.0L Diesel Water Outlet Adapter Kit (4C4Z-8592-AA)

At Bullet Proof Diesel, our mission is straightforward: ensuring diesel reliability. We cater to nationwide fleets, heavy-use, first responders, trailer towers, and daily diesel drivers. Explore our offerings at www.BulletProofDiesel.com today.

Mesa, Arizona Sep 24, 2024 (IssueWire.com) - We are thrilled to announce the release of the [Bullet Proof Upgraded Ford 6.0L Diesel Water Outlet Adapter Kit \(4C4Z-8592-AA\) BPD P/N: 90100191](#), a premium, direct fit solution designed to restore the performance and reliability of your 6.0L diesel engine.

Key Features:

- **All-Aluminum Construction:** Crafted from high-grade aluminum, this adapter kit ensures exceptional durability and long-lasting performance.
- **Direct Fit & Function:** Engineered to replace the OEM part 4C4Z-8592-AA seamlessly, without any modifications, making installation straightforward and hassle-free.
- **Eliminates the “Little Blue Hose”:** This kit removes the need for the factory water outlet coupler, allowing the use of a simple $\frac{3}{4}$ " coolant hose.
- **Complete Kit:** Includes a replacement O-ring, $\frac{3}{4}$ " hose, and two spring clamps, providing everything needed for a comprehensive installation.

Benefits:

- **Enhanced Engine Performance:** By upgrading to this all-aluminum adapter, you can improve the overall efficiency and reliability of your engine, especially when replacing the factory engine oil cooler.
- **Reduced Downtime:** Say goodbye to delays caused by backorders of the factory water outlet adapter. Our kit ensures your diesel truck remains in peak condition without waiting for OEM parts.
- **Made in the USA:** Proudly manufactured in the USA, this product guarantees top-notch quality and supports local manufacturing.

Availability:

[The Upgraded Ford 6.0L Diesel Water Outlet Adapter Kit \(4C4Z-8592-AA\) P/N 90100191](#) is now available for purchase. Don't miss the opportunity to upgrade your diesel engine with this reliable and efficient solution.
