

Quality Design and Construction: Celebrating 50+ Awards of Excellence

Celebrating Decades of Excellence with Industry-Leading Achievements

Raleigh, North Carolina Sep 3, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Quality Design and Construction—a famous full-service design and construction contractor, proudly announced the milestone of securing 50+ major awards for its amazing work of home designs and construction.

Since its foundation in 1994 to till date, the company has had the chance to serve thousands of customers with high-quality work, innovative and attractive designs, and exceptional customer services, which have become the main reason for being awarded and earning a great reputation in the industry.

Recently, Quality Design & Construction has continued to receive recognition for its outstanding work. The company won the Best Outdoor Living Award for creating outdoor spaces that are not only beautiful but also functional and enjoyable for homeowners.

Another recent award includes recognition for an Award-Winning Kitchen in Wake Forest. This kitchen remodel perfectly combines modern design with practicality, showing the company's proficiency in delivering kitchens that are part of modern architecture but still close to reality.

Also, Quality Design & Construction received the Whole House Remodel Award and the 2019 REMY Awards, which highlights the company's ability to modify entire homes with top-quality remodeling projects that meet the highest standards.

These recent awards add to the long list of honors the company has received over the years. One of the most important milestones in the company's history was being named the Chrysalis Southern Regional Remodeler of the Year in 2002. This award was a key achievement that helped build the company's reputation as a leading remodeler in the Southern United States.

Following this, the company continued to earn recognition, including the Best Kitchen Award in 2014 for creating kitchens that are so fascinating to watch and fun to work in. That same year, Quality Design & Construction received the 2014 STAR Bath Award for its excellent work in bathroom design and remodeling.

The company's work in beautifying the exterior look of homes was also recognized with the Transforming Your Home Exterior Award in 2013, which celebrated its success in improving the appeal and design of home exteriors.

With decades of experience and multiple awards, Quality Design & Construction remains a leader in the design-build industry. It is committed to maintaining its legacy of excellence for many years to come.

About Quality and Design Construction, Inc.:

Quality Design & Construction was founded in August 1994 by Dave Mackowski, who has always had a passion for home remodeling and improvement. Dave's interest began early when he worked on home projects with his father. This hands-on experience and his drive to succeed led him to become one of the successful design-and-build contractors in the Triangle area.
