Providing Tailored Care with Precision and Compassion: Upholding the Highest Medical Standards in a Comfortable and Private Setting

New York City, New York Sep 17, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Richard Lung, a distinguished plastic surgeon with over 40 years of experience, is redefining the landscape of cosmetic surgery in the Coral Gables and Miami areas. A native of Panama of Chinese descent, he brings a unique cultural perspective and a commitment to excellence in patient care to his practice.

Dr. Lung earned his Medical Degree from the University of Panama, Faculty of Medicine, followed by rigorous specialty training in general and plastic surgery at The Pennsylvania State University. He is board certified by the American Board of Plastic Surgery and holds memberships in prestigious organizations, including the American Society for Aesthetic Plastic Surgery, the American Society of Plastic Surgeons, and the American College of Surgeons.

At his private practice, Dr. Lung offers an extensive array of cosmetic surgeries and procedures, all delivered with a highly personalized approach. His state-of-the-art facilities are located in safe environments, including Keralty Hospital Miami and Coral Gables Hospital, ensuring that patients receive the highest quality of care.

Dr. Lung's commitment to patient satisfaction extends beyond the operating room. He and his exceptional office staff prioritize personalized care, skillful attention to detail, and the highest medical standards within a comfortable and private setting. During consultations, Dr. Lung dedicates ample time to address every concern, ensuring that patients are well-informed and confident in their surgical decisions. No question goes unanswered, and every patient feels valued and respected.

Moreover, Dr. Lung offers a unique Concierge Advantage Service, providing patients and their families with 24/7 access to his expertise. From the initial consultation through to post-operative care, Dr. Lung is always just a phone call away. This service underscores his belief that seamless communication between doctor and patient is vital for successful outcomes and recovery.
