

Robert B. Jones, MD, FAAOS: A Leader in Orthopedic Surgery at Mercy Clinic Orthopedics

Specializing in Adult Reconstructive Surgery of the Hip and Knee in Ozark and Branson

New York City, New York Sep 28, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Robert B. Jones is a distinguished orthopedic surgeon dedicated to serving the vibrant communities of Ozark and Branson, Missouri. He practices at Mercy Clinic Orthopedics—Orthopedic Hospital and Branson Highway 248 and is also affiliated with Mercy Hospital Springfield. He helps his patients achieve optimal health and mobility.

At Mercy Clinic Orthopedics, Dr. Jones specializes in adult reconstructive orthopedic surgery of the hip and knee and offers a wide range of services. He performs routine and complex primary and revision joint replacement surgeries, focusing on direct anterior total hip arthroplasty and partial knee replacements. His expertise allows him to address each patient's unique needs, ensuring personalized care and optimal outcomes.

Dr. Jones earned his Medical Degree from The Ohio State University College of Medicine in 2009, setting the foundation for a distinguished career in orthopedic surgery. After graduation, he completed a rigorous residency in orthopedic surgery with Geisinger Health System, gaining invaluable experience and expertise. Dr. Jones further honed his skills through an adult reconstruction fellowship at the prestigious University of Utah, culminating in 2015.

As a Fellow of the American Academy of Orthopedic Surgeons (FAAOS) and a Diplomate of the American Board of Orthopedic Surgery, Dr. Jones exemplifies the highest standards in orthopedic medicine. His extensive training and dedication to his field ensure that patients receive the most advanced and effective treatments available.

Dr. Jones reflects on his career with gratitude, considering himself very lucky to have a profession he is passionate about and feels blessed to help others by doing what he loves. His dedication to patient care and continuous improvement drives him to stay at the forefront of advancements in orthopedic surgery, ensuring his patients receive the best possible care.
