

Shital Sharma, DPM, MBA, FACFAS: A Leader in Foot and Ankle Care Committed to Patient Education and Surgical Excellence

With Dr. Sharma's Expertise, LuxStep Concierge Sets a New Benchmark for Quality Care

New York City, New York Sep 6, 2024 ([IssueWire.com](https://www.issuewire.com)) - A prominent podiatrist and CEO/Founder of LuxStep Concierge, Dr. Sharma strives to educate patients and fellow surgeons about the best treatment options for foot and ankle conditions. Offering services in both New York and New Jersey, she is dedicated to integrating advanced medical knowledge with compassionate patient care.

In regards to her educational background, she is a graduate of Temple University School of Podiatric Medicine, where she developed a strong foundation in podiatric medicine and surgery. Following her graduation, she completed a rigorous residency program at Hoboken University Medical Center, specializing in Foot and Ankle Reconstructive Surgery, Trauma, Sports Medicine, and Diabetic Limb Salvage.

In addition to her clinical practice, Dr. Sharma has furthered her expertise with an MBA and MS in Healthcare Leadership from Cornell University, underscoring her commitment to blending medical practice with healthcare management.

As a board-certified surgeon with the American Board of Foot and Ankle Surgeons, Dr. Sharma specializes in both foot and rearfoot/ankle reconstructive procedures. Her expertise not only encompasses advanced surgical techniques but also extends to non-surgical treatment options, allowing her to offer a holistic approach to foot and ankle health. Currently, she serves as the Program Director and Chief of Podiatry for the CarePoint Health - Hoboken University Medical Center Residency Program, where she is passionate about mentoring the next generation of foot and ankle surgeons.

Committed to patient education, she believes that informed patients are empowered to make the best decisions regarding their health, whether that involves surgical intervention or exploring alternative non-surgical options. Her emphasis on personalized care ensures that each patient's treatment plan is tailored to their specific circumstances, ultimately leading to improved outcomes.

Dr. Sharma created LuxStep Concierge with a vision to provide patients with a unique and outstanding healthcare experience that surpasses the limitations of traditional medical channels. Recognizing the challenges patients often face with long wait times, impersonal treatment, and fragmented care, Dr. Sharma designed LuxStep Concierge to be a fully personalized service that prioritizes convenience, comfort, and comprehensive care. By offering concierge-level services, including in-home visits, advanced diagnostics, and individualized treatment plans, she ensures that each patient receives the highest standard of foot and ankle care without the hassle and delays typically associated with conventional healthcare systems. This innovative approach reflects her unwavering commitment to delivering the best possible outcomes for her patients, elevating the entire experience of foot and ankle care to a new level of excellence.

Outside of her professional endeavors, Dr. Sharma enjoys rock climbing, hiking, and dance balancing her rigorous work with an active lifestyle. Her favorite vacation destination is Turks & Caicos, where she finds inspiration and relaxation.
