North Chicago, Illinois Sep 22, 2024 ([IssueWire.com](https://www.issuewire.com)) - [The Fino Partners](#), a leading provider of outsourced accounting services for CPA firms, proudly marks over a decade of transformative growth and success. With a focus on enhancing efficiency, reducing costs, and maintaining compliance, Fino Partners is setting a new standard in outsourced accounting solutions. Founded by two visionary brothers in 2012, Fino Partners has rapidly evolved into a trusted name in the accounting industry, demonstrating consistent year-over-year growth and a commitment to excellence, security, and client satisfaction.

A Legacy of Excellence

Established in 2012 by brothers [Karan Malhotra](#) and [Deepak Malhotra](#), Fino Partners was born from a shared vision to revolutionize the way CPA firms manage their accounting needs. Starting with just two employees, the company has since grown to a robust team of 250 experienced professionals, thanks to a strong focus on delivering high-quality, secure, and reliable accounting services.

"Our journey has been driven by a passion for helping CPA firms thrive by providing them with the expertise and resources they need," said Karan, Co-Founder of Fino Partners. "We are proud of the

growth we've achieved, not only in terms of our size but also in the value we bring to our clients every day."

Meeting the Needs of CPA Firms Nationwide

Fino Partners understands the unique challenges CPA firms face in managing their clients' accounting needs, from bookkeeping to tax preparation and financial reporting. By partnering with Fino Partners, CPA firms can access a team of highly skilled accounting professionals who provide reliable, accurate, and timely services.

"Our mission at Fino Partners is to support CPA firms in delivering exceptional value to their clients while optimizing their own operations," said Deepak, co-founder of Fino Partners. "We provide seamless outsourced accounting services that allow firms to focus on strategic growth and client relationships, rather than getting bogged down in day-to-day accounting tasks."

Remarkable Growth and Client Success

Fino Partners has seen significant growth year after year, reflecting the company's ability to adapt to the evolving needs of its clients. CPA firms partnering with Fino Partners have experienced an average growth rate of 32% annually, highlighting the positive impact of the company's outsourced accounting services on their operations.

The company attributes this success to its deep expertise in taxation and accounting, as well as its commitment to data security, confidentiality, and maintaining a positive workplace culture. These values have not only driven Fino Partners' expansion but also earned them a strong reputation in the global market. Building Strong Client Relationships

Fino Partners has built a loyal client base, with 54% of new clients coming from referrals—an indicator of the trust and satisfaction clients have in their services. The company's focus on maintaining high standards of client service and security has resulted in exceptional client retention and numerous repeat business opportunities.

"We're honoured to have such a high rate of client satisfaction and referrals," said Karan, Co-Founder of Fino Partners. "Our clients' success is our success, and we are committed to providing them with the tools and support they need to grow."

A Positive Workplace Culture

Fino Partners prides itself on fostering a positive working environment that not only attracts but retains top talent. The company's employee retention rates are a testament to its culture of collaboration, continuous learning, and recognition. This positive work culture has enabled Fino Partners to maintain a team of highly skilled and experienced professionals dedicated to providing the best service possible.

"Our team is the heart of our company," added Deepak. "We believe that a positive, supportive workplace is key to delivering exceptional service to our clients. We are committed to continuing to grow our team and our services to meet the needs of CPA firms across the country."
