

TripZada Holiday has helped brands Halim International, UJ Mix

Science and technology,

Delhi, India Sep 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - Tripzada Holidays offers a personalized travel experience. Halim International creates timeless crafts, while Agriconic provides innovative solutions and technologies. Mystic Gurukul courses provide specialized training. Halim International was founded in 2012 in Muscat, Sultanate of Oman, and has grown into a comprehensive group of independent companies. Today, the group offers products and services in marketing, communications, digital signage, medical consumables trading and supply, beauty and body products, interior design, recruitment, and other areas.

In an industry driven by business values and corporate structure, the passion of management and team members is the biggest mantra and competitive advantage.

Entrepreneurship, passion and love for what you do, family and team spirit, initiative, dedication, leadership, relentless pursuit of victory, and the constant "give more", this is the essence of Halim International.

UJ Mix shows the true colors of the future. From the latest science and technology to the biggest stories in business and culture, we have your back.
