

16,000 Gather for Groundbreaking Revelation Seminar in Jeonju

The Great Bible Crusade on the Truth of Revelation Ends with a Festive Finale

Chicago, Illinois Oct 13, 2024 ([Issuewire.com](https://www.issuewire.com)) - The recent 20-day evangelism crusade in Jeonju, South Korea, concluded with a powerful event that drew 16,000 attendees, including 250 pastors. The Shincheonji Church of Jesus, led by General Chairman Man Hee Lee, held the event to unravel the mysteries of the Book of Revelation. Due to venue capacity limits, an additional 117,000 people participated online, with over 200 pastors joining remotely.

The festival atmosphere was enhanced by military and agricultural bands, as well as performances that greeted attendees, creating a celebratory vibe throughout the gathering. Chairman Lee delivered a lecture emphasizing the fulfillment of the Book of Revelation in today's world and urged pastors to confirm these truths themselves. His challenge to the audience was clear: "If there is anything wrong with what I say, please raise your hand and ask a question at any time."

Many pastors expressed their gratitude to Chairman Lee, with one stating, "I will learn these words well and pass them on." One local pastor added, "It's important we open our hearts and learn these words

seriously." Others, like Missionary Park, reflected on the impact of the message, calling it "shockingly like Danbi. I feel like I've met a new guide in the missionary role in the future."

Shincheonji Church of Jesus continues to extend their mission of spreading the word, as they gather widespread attention from both locals and international viewers. An official expressed gratitude to all who attended the event, vowing to provide even greater opportunities in the future for believers to engage with the Word of Revelation.
