

Ageless Thriving Announces Newly Featured Products for Seniors and Caregivers

Jelly Drops, Stride Gym, Zone Dome and Caregiver Smart Solutions

Jelly Drops Hydration Solutions!

Gig Harbor, Washington Oct 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ageless Thriving, a leading community site for seniors, caregivers, family members, and AgeTech companies, is pleased to announce recent additions to our [Featured Solutions lineup](#).

Newly featured products include:

[Jelly Drops Hydration Solutions for Seniors](#) Jelly Drops are an innovative sugar-free treat, made of 95% water with added electrolytes & vitamins, designed to increase fluid intake. Popular with people with dementia, the elderly & others who struggle to stay hydrated.

[Stride Gym Exercise Solutions](#) At Ageless Thriving, we particularly love the way that Stride Gym products open up new, easy-to-use options for seniors to stay fit and to relief pain points – in any setting, from Aging-in-Place to Senior Care facilities.

[Caregiver Smart Solutions](#) The CORE kit is a non-intrusive technological solution to monitor seniors' activity within their homes. It includes a temperature and humidity sensor, five wireless movement sensors that can be placed in bedrooms, kitchens, bathrooms, and other high activity areas, plus three wireless emergency buttons.

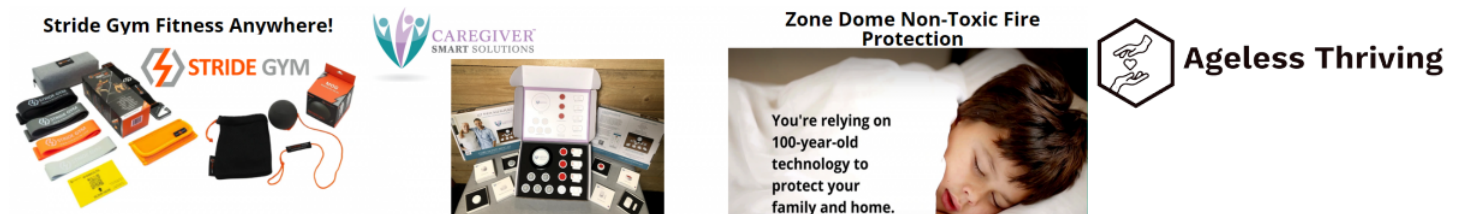

[Zone Dome from Fireguardia](#) Fireguardia offers active and passive fire protection products that will

revolutionize the consumer, manufacturing, and textile industries. Zone Dome non-toxic fire suppression materials are based on advanced technology backed by years of research and are perfect for safely protecting seniors in their homes.

According to Jim Hunt, CEO and Publisher at Ageless Thriving, *"These latest additions to our Featured Solutions list support our core mission to provide a community focused forum to help seniors achieve and sustain full and happy lives – every day in every way. We carefully review and vet every product before recommending it to our followers."*
