

Anna Kundel, MD, FACS: Medical Director of Endocrine Surgery at Valley's Center for Thyroid and Parathyroid Care

Expert Endocrine Surgeon Combines Comprehensive Care with Multilingual Support for Diverse Patient Needs

New York City, New York Oct 18, 2024 ([IssueWire.com](https://www.issuewire.com)) - Valley's Center for Thyroid and Parathyroid Care is proud to announce the continued dedication of Anna Kundel, MD, FACS, as the Medical Director of Endocrine Surgery. Dr. Kundel, a board-certified endocrine surgeon and a Fellow of the American College of Surgeons, brings an extensive background in surgical interventions for benign and malignant endocrine diseases, with a specialized focus on conditions affecting the thyroid, parathyroid, and adrenal glands.

Dr. Kundel's wealth of experience encompasses a wide range of endocrine-related conditions, including thyroid disease, thyroid cancer, hyperthyroidism, and parathyroid disorders. Her expertise also extends to treating adrenal diseases and various soft tissue tumors. Known for her advanced surgical techniques, Dr. Kundel performs minimally invasive parathyroid surgery, laparoscopic adrenalectomy, and radiofrequency ablation of thyroid nodules, among others, ensuring that patients receive the most effective and least invasive treatments available.

A distinguished graduate of Tufts University School of Medicine, Dr. Kundel completed her surgical residency at NewYork-Presbyterian Queens in 2008 and furthered her training with fellowships at Weill Cornell Medical Center and the Mayo Clinic. She holds board certification from the American Board of Surgery, affirming her adherence to the highest standards of surgical excellence.

Before joining Valley, Dr. Kundel served as the Director of Endocrine Surgery at NYU Langone Medical Center and as an Assistant Professor of Surgery in the Department of Surgery. *"I prioritize taking a team-based approach to developing a personalized plan of care for each of my patients,"* she stated. This philosophy aligns perfectly with Valley's commitment to providing comprehensive, patient-centered care.

In addition to her clinical expertise, Dr. Kundel's multilingual English, Spanish, and Russian skills enhance her ability to connect with and understand her diverse patient population. This capability ensures that each patient receives individualized support throughout their treatment journey.

Valley's Center for Thyroid and Parathyroid Care is excited to have Dr. Kundel on board, whose dedication to advancing patient care and surgical innovation undoubtedly enriches the health and well-being of the community.
