

Bitcoin.^h Partners with HashGate for Seamless Payments, Donations, and Tips

Austin, Texas Oct 21, 2024 ([IssueWire.com](https://www.issuewire.com)) - Bitcoin.^h (BTC.^h) proudly announces its integration with HashGate.App, a leading non-custodial payment gateway, enabling smooth global payments, donations, and tips. This partnership allows users worldwide to embrace BTC.^h, benefiting from its fast, secure, and green technology. With features like ultra-fast processing and minimal fees, HashGate facilitates easy Bitcoin.^h transactions for businesses, streamers, and content creators on platforms such as YouTube, Discord, and Telegram. This integration exemplifies Bitcoin.^h's commitment to delivering secure, eco-friendly solutions for a global audience.

HashGate also enables WooCommerce store owners to integrate BTC.^h payments, providing seamless, decentralized payment processing for e-commerce platforms.

About Bitcoin.^h

Bitcoin.^h (BTC.^h) is a cryptocurrency designed to tackle the industry's greatest challenge: the staggering energy consumption of traditional Bitcoin. Bitcoin.^h is the only carbon-negative, 100% sustainable replacement, making it the greenest Bitcoin on the planet.
