

Candice Chipman, MD, FACS, FASMBS: An Expert Bariatric Surgeon at Jefferson Comprehensive Weight Management Center

Expert in Surgical Weight Loss Solutions Available in Pennsylvania

New York City, New York Oct 22, 2024 ([IssueWire.com](https://www.issuewire.com)) - A highly skilled bariatric surgeon, Dr. Chipman brings a wealth of knowledge and experience in advanced surgical weight loss solutions to the Jefferson Comprehensive Weight Management Center. The center offers a comprehensive range of weight loss programs, including surgical interventions and non-surgical options, designed to meet the individual needs of each patient.

With a broad educational background, she earned her medical degree from Meharry Medical College, where she honed her dedication to serving diverse populations. Following her medical education, she completed her internship at Atlanta Medical Center, gaining invaluable hands-on experience in patient care. She further advanced her surgical training through a rigorous residency program, completing her training at Mercer University School of Medicine, Morehouse School of Medicine, and the University of Toledo Medical Center. She also completed her fellowship at Abington Jefferson Health, where she specialized in bariatric and minimally invasive surgery.

In addition to her clinical expertise, Dr. Chipman is an active member of several professional organizations, including the American College of Surgeons (Fellow), the Society of American Gastrointestinal and Endoscopic Surgeons, and the National Medical Association. Her involvement in these organizations underscores her commitment to continued education and staying at the forefront of advancements in the field of bariatric surgery.
