**Renowned Pathologist Brings Extensive Expertise and Leadership to Healthcare Community in Memphis**

**New York City, New York Oct 15, 2024 ([Issuewire.com](https://www.issuewire.com))** - January 2022 marked a significant milestone for Baptist Memorial Hospital with the appointment of Dr. Christopher Paul Golembeski as Chief of Pathology. Dr. Golembeski, a board-certified pathologist with a wealth of experience in the field, is poised to enhance the hospital's pathology services and contribute to its mission of providing exceptional patient care.

In addition to his clinical responsibilities, Dr. Golembeski holds an academic appointment as an Associate Professor of Clinical Pathology at Baptist University College of Osteopathic Medicine. His role in education underscores his commitment to training the next generation of healthcare professionals in pathology.

Dr. Golembeski's journey in pathology began after earning a Bachelor of Science Degree in Chemistry from the University of Cincinnati in 1996, followed by a Doctor of Medicine Degree from the University of Cincinnati College of Medicine in 1999. He completed his internal medicine training at the University of Michigan in 2002, followed by anatomic pathology in 2005. He then completed his surgical pathology fellowship at the University of Michigan in 2006, and further specialized in GI and liver pathology in 2007.

With an impressive career spanning over two decades, Dr. Golembeski has held key positions that reflect his commitment to advancing the field of pathology. Before joining Baptist Memorial Hospital, he served as the Associate Director of Women's Health Laboratories at Poplar Healthcare from June 2012 to April 2022, where he played a pivotal role in improving diagnostic services for women's health.

Dr. Golembeski also worked as a Pathologist at Caris Life Sciences in Dallas, Texas, from March 2011 to March 2012. Earlier in his career, he served as the Director of Hepatopathology at Clin-Path Associates, PLC in Phoenix, Arizona, from July 2007 to February 2011.

Recognized as a diplomat of both the American Board of Internal Medicine and the American Board of Pathology, Dr. Golembeski is dedicated to maintaining the highest standards in the medical field. He is also an esteemed member of the College of American Pathologists and the American Medical Association.

Dr. Golembeski's leadership at Baptist Memorial Hospital is expected to foster innovation in diagnostic practices and enhance collaborative efforts across the healthcare spectrum. He is honored to lead the pathology team at Baptist Memorial Hospital and is committed to delivering the highest quality of care to his patients.
