Serving the Orlando Area With Dedication, Compassion, and Excellence in Healthcare

New York City, New York Oct 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Daniel Hay, a seasoned family medicine physician with over two decades of experience, is the Founder of Family Medicine of Orlando, PLLC, a multi-specialty medical group dedicated to providing comprehensive and compassionate healthcare to the Orlando community. Formerly associated with Family Medicine of Orlando, he is committed to transforming patient care by focusing on the whole person, and integrating various

specialties to ensure holistic treatment.

Pertaining to his educational pursuits, he graduated from the New York College of Osteopathic Medicine (NYCOM) in Old Westbury, NY, in 2001, and has since dedicated his career to family medicine. He completed his internship at Good Samaritan Hospital Medical Center in West Islip, NY, followed by specialized training in family medicine and osteopathic manipulative therapy (OMT) at North Shore University Hospital in Plainview, NY.

The vision behind Family Medicine of Orlando, PLLC is to create a patient-centered environment where individuals can receive comprehensive care under one roof. "I believe that healthcare should be holistic, addressing not just medical issues but also the emotional and social factors that contribute to overall well-being," said Dr. Hay. "Our multi-specialty approach allows us to collaborate and provide coordinated care that is tailored to each patient's unique needs."

Family Medicine of Orlando, PLLC will offer a variety of services, including preventive care, chronic disease management, wellness programs, and specialized treatments. The practice aims to foster long-term relationships with patients, guiding them through their healthcare journeys and empowering them to make informed decisions about their health.

In addition to providing exceptional medical care, Dr. Hay and his team are committed to community engagement and education. The practice will host health workshops and seminars focused on preventive care, healthy living, and managing chronic conditions, with the goal of promoting health literacy and wellness throughout the community.
