

Embrace the Power of Nature with Dhruvika Naturals

Redefining Self-Care with Multi-functional Natural Products

Mumbai, Maharashtra Oct 28, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dhruvika Naturals is revolutionizing natural wellness with a premium line of multitasking products designed to simplify self-care routines. In addition to their offerings of pure Geranium Water, Multani Mitti, Sandalwood Powder, Dry Rosemary Leaves, Sage Bundles, 22 varieties of essential oils, and 7 different massage oils, the brand is excited to announce the launch of their **natural crystal gua sha and rollers**. These new products combine the wisdom of ancient beauty rituals with the needs of the modern consumer, providing additional benefits

for skin health and relaxation. Many of their products are already gaining popularity among youth, as they save time and expenses while delivering effective results. Each product is a delight in itself, exploring the multitasking benefits tailored to diverse health and wellness needs.

Driven by the belief, "Be Limitless," Dhruvika Naturals focuses on high-quality, sustainably sourced ingredients. Their offerings blend traditional healing practices with modern consumer needs, providing solutions for both self-care and holistic wellness.

"Our vision is to empower individuals to embrace a simpler, natural approach to self-care," says Jitesh Negandhi, CEO of Dhruvika Naturals. "With the launch of our natural crystal gua sha and rollers, we are excited to offer our customers new tools for enhancing their beauty routines. Each product embodies purity and versatility, allowing customers to adapt them to their unique needs."

Spotlight on Dhruvika Naturals Products

Dhruvika Naturals caters to the health and wellness segment with a diverse range of exceptional products tailored to meet various self-care and wellness needs. Their **Natural Geranium Water** serves as a refreshing toner, hydrating mist, and makeup setting spray, ideal for calming sensitive skin. The **Multani Mitti** is a versatile clay perfect for deep cleansing and can be customized into personalized face masks. **Sandalwood Powder** acts as a gentle exfoliant that brightens and soothes the skin, while the **Dry Rosemary Leaves** are suitable for culinary use and skincare, being rich in antioxidants. For those looking to purify their surroundings, **Sage Bundles** promote mental clarity and tranquility through space cleansing. Additionally, Dhruvika Naturals features 22 varieties of **essential oils** for aromatherapy and overall wellness, along with 7 nourishing **massage oils** designed for relaxation and skin health. The brand's new **natural crystal gua sha and rollers** offer unique energy properties that enhance skin health and promote relaxation. Dhruvika Naturals also provides **natural crystals**, enhancing well-being through their unique energy properties. Each product is a delight in itself, exploring the multitasking benefits that cater to diverse health and wellness needs.

Eco-Conscious and Ethical

The brand emphasizes minimal packaging to reduce environmental impact, and wherever possible, also provides reusable packaging.
