Ar-Riyad, Saudi Arabia Oct 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Saudi Arabia is one of the most visited countries every year. To make traveling there easier, the government of Saudi Arabia has started a new visa waiver program where foreign travelers entering the borders no longer require a traditional paper visa. Instead, they can go with an online Saudi visa. This eVisa can be applied for and obtained online, without visiting the nearest embassy or consulate. The visa is valid for 3 executive months, however, that is sometimes not enough to explore the entire country. Travelers then apply for a visa extension, paying a small fee. Know more about **HOW TO EXTEND SAUDI VISA** at: <https://www.visa-saudi.org/saudi-visa-extension-how-to-extend-visa-fee>.

The Saudi eVisa is available for various reasons including tourism, business, and transit visits. The **SAUDI TRANSIT VISA** is the perfect choice for a stress-free layover in the country. Though a Saudi transit visa is not designed for extended stays or sightseeing, it allows the visa holder to enjoy a short layover, visit famous tourist places, and indulge in other activities.
