

Gary P. Cohen, MD, FACP, FABQUARC: A Leader in Internal Medicine and Preventive Care in Connecticut

Celebrating Over Five Decades of Exceptional Medical Care

New York City, New York Oct 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - Collins Medical Associates 2, P.C. proudly announces the continued excellence of Dr. Gary P. Cohen, a board-certified internist renowned for his dedication to internal medicine and preventive care. With practices located at 435 Buckland Rd in South Windsor and 580 Cottage Grove Rd in Bloomfield, Dr. Cohen is committed to providing his patients with the highest standard of medical care.

In addition to his practice, Dr. Cohen is affiliated with several respected hospitals in Connecticut, including Manchester Memorial Hospital, Saint Francis Hospital and Medical Center, and Hartford Hospital. His strong connections within the local medical community enhance his ability to provide comprehensive care tailored to his patients' individual needs.

Dr. Cohen's commitment to preventive medicine is evident in his holistic approach to patient health. He emphasizes the importance of regular check-ups, screenings, and lifestyle modifications to prevent diseases before they occur. His philosophy revolves around making a difference in the lives of his patients, ensuring they have access to the best possible care and resources.

Dr. Cohen's impressive medical journey began in 1976 when he graduated with his Medical Degree from La Faculté de Médecine Montpellier Nîmes in France. After relocating to the United States, he completed his internship and residency in internal medicine at the University of Connecticut. His extensive training and experience have established him as a trusted figure in the medical community.

As a Diplomate of the American Board of Internal Medicine and a Fellow of the American College of Physicians (FACP), Dr. Cohen remains at the forefront of medical advancements. He is dedicated to quality patient care and ensures that his practice incorporates the latest technology and procedures. Dr. Cohen believes continuing education, research, and a patient-centered approach are vital to adequate healthcare.

On a personal note, Dr. Cohen is fluent in English and French, allowing him to connect with a diverse patient population. His communication ability fosters a welcoming environment where patients feel comfortable discussing their health concerns.
