

Introducing Jason Miller, MD, DMD, FACS: Leading Expert in Plastic and Craniofacial Surgery

Renowned Omaha Surgeon with a Commitment to Excellence in Patient Care and Innovation

New York City, New York Oct 18, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Jason Miller is a highly skilled board-certified plastic and craniofacial surgeon at Village Pointe Aesthetic Surgery | Dreams MedSpa in Omaha, Nebraska. With a wealth of training and experience in both adult and pediatric plastic surgery, Dr. Miller is dedicated to transforming lives through his surgical expertise. He is committed to enhancing the quality of surgical care in the Omaha community and beyond, bringing a compassionate touch and exceptional skill to every procedure.

Dr. Miller's impressive credentials include serving as an Associate Professor in the Department of Surgery, Division of Plastic & Reconstructive Surgery, at the University of Nebraska Medical Center College of Medicine. In addition, he holds the position of Surgical Director at the Craniofacial Anomalies Clinic at Boys Town National Research Hospital. His affiliations with CHI Health Creighton University Medical Center - Bergan Mercy, CHI Health Immanuel, and the University of Nebraska Medical Center as Chief of Pediatric Plastic Surgery further underscore his commitment to providing top-tier medical services.

Scholastically, Dr. Miller earned his Bachelor of Science Degree from the University of Florida, his Doctor of Dental Surgery Degree from the University of Florida College of Dentistry, and his Medical Degree from the University of Nebraska Medical Center College of Medicine. He underwent rigorous training in general surgery, oral and maxillofacial surgery, and plastic and reconstructive surgery at UNMC, culminating in fellowship training in pediatric plastic surgery and craniofacial surgery at Stanford University in California.

As a recognized Diplomate of the American Board of Plastic Surgery, Dr. Miller is an active member of several prestigious organizations, including the American Society of Plastic Surgeons, the American Medical Association, the American Association of Oral and Maxillofacial Surgeons, the American Cleft Palate-Craniofacial Association, and a Fellow of the American College of Surgeons. His extensive research contributions, evidenced by numerous publications and presentations at national and international conferences, highlight his dedication to advancing the field of plastic and craniofacial surgery.

Dr. Miller's reputation for excellence in both adult and pediatric craniofacial surgery has attracted patients from around the globe. His innovative techniques and compassionate approach to care have made him a trusted figure in the surgical community.
