

Ivan G. Georgiev, MA, DMD: Exceptional Oral and Maxillofacial Surgeon Elevates Patient Care in New Jersey

Revolutionizing Surgical Experiences with a Patient-Centric Approach and Advanced Techniques

New York City, New York Oct 28, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ivan G. Georgiev, MA, DMD, an esteemed oral and maxillofacial surgeon, proudly serves as the Managing Owner of Prime Oral & Facial Surgery in Cranford, New Jersey as well as a maxillofacial trauma surgeon on staff at St. Joseph's Regional Medical Center in Paterson, New Jersey.

With a deep commitment to patient satisfaction and a focus on innovative surgical techniques, Dr. Georgiev is redefining the standards of oral surgery in the region. His expertise encompasses a wide range of services, including dental and maxillofacial implants, wisdom teeth extractions, bone reconstruction, corrective jaw surgery, and treatment for TMJ disorders.

Prime Oral & Facial Surgery of Cranford is distinguished by the use of cutting-edge technology and modern anesthetic techniques, aimed at ensuring a comfortable and positive surgical experience for every patient. Dr. Georgiev treats every patient like family and strives to exceed their expectations. His goal is to provide results that not only improve their oral health but also make them smile.

Born and raised in Bulgaria, Dr. Georgiev's journey to becoming a leading oral surgeon is truly inspiring.

Moving to the United States at the age of 10, he navigated a challenging transition, changing residences six times within four years. This experience enriched his understanding of diverse cultures and shaped his compassionate approach to patient care.

Dr. Georgiev's impressive educational background reflects his dedication to excellence. He graduated from the University of Connecticut in just three and a half years, earning a double major in molecular and cell biology and physiology and neurobiology, alongside a minor in business. He then completed a Master of Arts Degree in Biotechnology at Columbia University and earned his Doctor of Medicine in Dentistry from the University of Medicine and Dentistry of New Jersey. His residency in oral and maxillofacial surgery was completed at St. Joseph's Regional Medical Center, where he honed his surgical skills.

In addition to his clinical practice, Dr. Georgiev is actively involved in several professional organizations, including the American College of Oral and Maxillofacial Surgeons, the New Jersey Society of Oral and Maxillofacial Surgeons, the American Society of Maxillofacial Surgeons, the American Association of Oral and Maxillofacial Surgeons, and the New Jersey Dental Association. His accolades include prestigious awards such as the Stanley S. Bergen, Jr., MD Medal of Excellence; the Edward J. III Excellence in Medicine Award; and the Outstanding Leadership and Dedicated Service Award - among numerous others - underscoring his commitment to his field.

At MDAdvisor Journal, Dr. Georgiev provided valuable guidance to the publishing staff and editorial board on topics and themes that explored the future of medicine, as well as issues impacting new physicians and healthcare leaders. Additionally, as a member of the surgical team with Smile Bangladesh, he participated in mission trips to Bangladesh and Sri Lanka, performing reparative surgeries for individuals with cleft lips and palates.

Beyond his impressive credentials, Dr. Georgiev finds joy in patient interactions. Known for his sense of humor, he believes that laughter is a vital component of care, making the surgical experience more enjoyable for his patients.

In his leisure time, Dr. Georgiev cherishes moments spent with family and friends, engaging in soccer, exploring new destinations, and indulging in a good book. His holistic approach to life and work ensures that his patients receive not only expert care but also the warmth and compassion they deserve.
