

James Lincoln, MD, Joins United Anesthesia Services as Premier Anesthesiologist in Philadelphia Area

Bringing Years of Expertise to Elevate Patient Care in Anesthesia Services

New York City, New York Oct 23, 2024 ([IssueWire.com](https://www.issuewire.com)) - James Lincoln, MD, is a distinguished board-certified anesthesiologist with United Anesthesia Services. He brings his expertise to Main Line Health primarily at the Riddle Hospital campus in Media, Pennsylvania, where he is known for providing exceptional patient care and ensuring safe, effective anesthesia management.

As the leading private anesthesia practice in the Philadelphia area, United Anesthesia Services has been delivering exceptional anesthesia care since 1996, partnering with esteemed regional health systems and surgery centers. Committed to the highest standards of patient care, the practice fosters a culture of knowledge sharing among its team of skilled anesthesiologists and certified registered nurse anesthetists. Their dedication to teamwork and collaboration shines through in their premier partner locations, including Main Line Health, Jefferson Health, and Doylestown Health. In addition to its focus on quality care, United Anesthesia Services offers employees competitive compensation, a comprehensive benefits package, sign-on bonuses, and more, making it a rewarding place to work.

Dr. Lincoln earned his medical degree from The Alpert Medical School of Brown University, where he graduated in 2011. He then completed a year of residency in emergency medicine at Christiana Care Health Services before pursuing a residency in anesthesiology at Drexel University College of Medicine from 2012 to 2015.

Prior to joining United Anesthesia Services, P.C., Dr. Lincoln gained valuable experience working at Anesthesia Services, P.A. in Newark, Delaware from July 2015 to January 2019, and as a staff anesthesiologist at AAMGI in Sonoma, California from January 2019 to March 2021. His diverse background has equipped him with the ability to handle a wide range of anesthetic challenges, ensuring patient safety and comfort during surgical procedures.
