McIntosh Makes It Happen: Transforming Dreams into Reality through Real Estate

New York City, New York Oct 22, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Juli McIntosh, an award-winning realtor with RE/MAX Advantage Group, is making waves in the real estate industry with her unique approach that combines compassion, expertise, and a commitment to client satisfaction. As a licensed professional across Rhode Island, Massachusetts, and Connecticut, Juli is dedicated to serving buyers, sellers, investors, and builders in both residential and commercial markets. Her comprehensive

understanding of the tri-state area's real estate market allows her to cater to a wide range of clients, with properties priced from \$300,000 to \$3 million.

Juli's transition from a successful career as a Registered Nurse to a full-time realtor during the COVID-19 pandemic was not merely a career change but a deliberate choice to continue helping others in a new capacity. Her nursing background has equipped her with invaluable skills such as empathy, patience, and meticulous attention to detail—qualities that resonate deeply with clients navigating the complexities of real estate transactions. Juli's clients appreciate her ability to listen attentively and understand their unique needs, ensuring a seamless and stress-free experience whether they are buying or selling.

In just a short time, Juli has established herself as a top producer within RE/MAX Advantage, earning a coveted spot in the prestigious 100% Club three years in a row, and receiving several nominations for Realtor of the Year. "My greatest joy as a nurse was helping people through difficult or stressful situations," Juli shares. "Now, in real estate, I still get to assist, educate, and guide people through some of the most significant milestones in their lives."

With a focus on continuous professional development, Juli is currently working toward her Broker's Associate License and has earned certifications in Commercial real estate, listing specialization, negotiations, probate, and new construction. Her commitment to staying updated with industry trends and cultivating strong relationships is reflected in her results-driven approach and unwavering work ethic, tackling each task with determination and integrity.

Throughout 2024, Juli has celebrated numerous accomplishments, including recognition as #1 RE/MAX agent in all of Rhode Island in both April and July. She also surpassed 100 homes sold in her career this year. Her ambitious goal for 2024 includes achieving Hall of Fame status in the RE/MAX network. Looking ahead, Juli plans to expand her business by forming a small team and hiring an administrative assistant in the coming year.

In addition to her real estate endeavors, Juli serves as an Executive Contributor for "Rocky Point Neighbors," a Warwick magazine, where she shares informative articles and current market statistics. Outside of her professional life, she enjoys kayaking, gardening, reading, and spending cherished moments with her beloved dogs, Louie and Frankie, as well as assisting her daughter in launching a dog grooming service and starting her first business.

Juli McIntosh's unique blend of compassion, knowledge, and professionalism sets her apart in the competitive real estate industry. Her journey from nursing to real estate reflects her adaptability and determination to excel in any field.
