

MAW Rides Introduces the New Yamaha MT-15 V2 to Nepal's Motorcycle Market

Kathmandu, Bagmati Oct 11, 2024 ([IssueWire.com](https://www.IssueWire.com)) - MAW Rides, the official distributor of Yamaha motorcycles in Nepal, is excited to announce the launch of the highly anticipated **Yamaha MT-15 V2**. This latest iteration of Yamaha's MT series brings a new level of performance, design, and technology to Nepal's motorbike enthusiasts.

The **Yamaha MT-15 V2** is equipped with a **155cc, liquid-cooled, 4-stroke SOHC engine**, delivering an impressive power output with **Variable Valve Actuation (VVA)** technology. This ensures a strong mid-range and top-end performance, making it ideal for both urban commuting and weekend adventures. With a 6-speed transmission, riders will experience smooth shifts and better control, offering superior performance across different riding conditions.

Key Features of the Yamaha MT-15 V2:

- **Delta Box Frame:** Ensures excellent rigidity and stability during high-speed rides.
- **Assist & Slipper Clutch:** Reduces clutch pull effort and ensures smoother downshifts, enhancing overall rider comfort.

- **Upside-Down (USD) Front Forks:** Improved suspension performance, offering better handling and control on diverse terrains.
- **LED Headlamps:** A signature MT-series design feature that delivers enhanced visibility while adding to the bike's aggressive styling.
- **Fully Digital LCD Display:** Displays crucial information clearly, keeping riders informed at all times.

The hyper-naked styling of the **MT-15 V2** showcases its aggressive aesthetics with a futuristic design language, appealing to those who desire bold and distinctive looks. Its muscular fuel tank, compact frame, and sharp lines all contribute to its streetfighter persona, making it stand out on the roads.

Availability and Pricing

The **Yamaha MT-15 V2** is available now at all **MAW Rides** showrooms across Nepal. Special launch offers and financing options are available for a limited period. Enthusiasts can experience the raw power and precision engineering of the MT-15 V2 firsthand by visiting their nearest showroom.

"We are proud to introduce the Yamaha MT-15 V2, a bike that has set new benchmarks in the global motorcycle market. With its perfect blend of cutting-edge technology, aggressive design, and powerful performance, we believe the MT-15 V2 will be a game-changer in Nepal's motorbike segment," said a spokesperson from **MAW Rides**.
