

Meghan Martinez Enters Fab Over 40 Beauty Contest in Support of the National Breast Cancer Foundation, Inc.

Las Vegas, Nevada Oct 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Meghan Martinez, a dedicated and self-made actress, model, and certified health coach based in Las Vegas, is making waves in the Fab Over 40 Beauty Contest. The competition, organized to empower women over 40 and sponsored by the National Breast Cancer Foundation, Inc., celebrates both beauty and resilience, highlighting accomplished women who inspire others through their life journeys. Meghan's participation is not only a testament to

her ambition but also an opportunity to raise awareness and support for breast cancer initiatives.

No stranger to the spotlight, Meghan has graced the covers of *Cruze Magazine* and *Appointment Magazine*, building a robust modeling portfolio. She has also proven herself as a versatile actress, appearing in numerous short films and videos, including her role in the award-winning horror film *Fang*, written and directed by Richard Burgin. However, her success is entirely self-made; Meghan's journey is one of perseverance, belief, and the relentless pursuit of her dreams.

Meghan shares her thoughts on what she values most about being over 40: "The lessons I've learned, what I know about life, yet still being young enough and healthy enough to carry out some of my dreams that I didn't have the knowledge to pursue in my 20s and 30s." For Meghan, being over 40 is an empowering chapter that allows her to be an even stronger influence on those around her.

Her focus on health and wellness has been a vital part of her journey. As a certified health coach, she says, "I take good care of myself. I make my health a priority, and it keeps me mentally, emotionally, and physically strong enough to handle everyday tasks and still pursue my dreams." Meghan's commitment to well-being resonates with her fans and clients alike, inspiring them to prioritize their own health and happiness.

Winning the Fab Over 40 competition would open new doors for Meghan. With the \$40,000 prize, she aims to make a meaningful impact: "I would take care of the obstacles that require finances, correct my credit from identity theft I suffered three years ago, travel to Puerto Rico to connect with family I've never met, and finally bring to life a film project I've dreamed of producing by collaborating with my artistic friends."

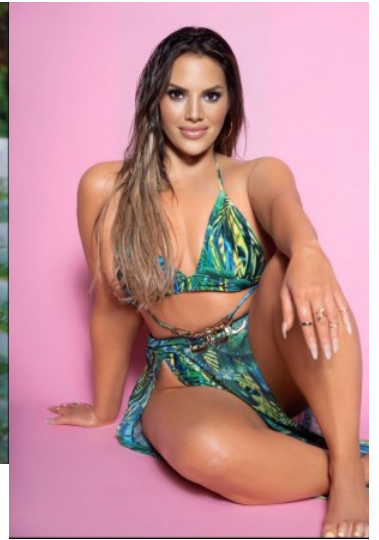

Meghan's story is an inspiration to women everywhere, especially those navigating life's challenges with unwavering dedication. To support Meghan's journey, join her by voting for her in the Fab Over 40 competition.
