

Premier Ship Models Unveils the UAE Website

Craft the Perfect Ship Model. Premier Ship Models builds museum quality ship models, boat models and yacht in various sizes and styles. Our ship models are designed by nautical experts to be exact replicas of the original ships.

Dubai, United Arab Emirates Oct 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - Leading model ship maker Premier Ship Models announced the launch of its UAE website. This brings their exquisite collection to boating enthusiasts and collectors in the country. The website offers 24/7 chat support allowing the ship model maker to serve the customers round the clock. People seeking support to pick the right boat model, size, and variant can live chat whenever needed.

Massive Collection

Premier Ship Models offers an assortment of over 500 finely crafted ready-made ships and boats. With three ranges - Standard, Superior, and Premier, the award-winning model seller has something for every boat-lover. Their models range from fishing boats, sailboats, yachts, liners and cruisers to classics, tankers, and historical replicas. Customers can also purchase half ship-boat models, trawlers, and tugboats. Additionally, boating enthusiasts can add some rare finds that too are museum-quality real-life replicas to their fleets. The model ship maker also has RC (radio-controlled) models, which buyers can enjoy with separately purchased remotes.

Customizations and Kits

The ship model supplier enables corporates and enthusiasts to customize their chosen models in size, color, and type (metallic or wooden). Additionally, buyers can add nameplates and other customizations to make the model best suit their needs. To add to the adventure, the ship model maker has a collection of 400 plus kits. The kits range from beginner to advanced skill levels and cater to both children and adults. Beginners can buy building tools and acrylic coloring kits to ease into deeper ship-building experiences. Advanced-level buildable wooden model boats that require exceptional precision and time, produce results that never fail to amaze buyers and their visitors.

More Services to Customer's Delight

Premier Ship Models offers restoration, cleansing, and rebranding services as well. The collectors who are unable to maintain their fleets can connect with the team via a phone call or request assistance directly from the website chat. The model ship maker is now equipped with 3-D printing technology to make even more accurate replicas of marine vessels and offer unique customizations. Everything can be done directly from the website hassle-free. The ship-maker offers display cases in diverse styles to match clients' aesthetics and complement the ship for customers who like to flaunt their possessions in style. To address the new generation's fancy, Premier Ship Models has also launched a line of model cars, ranging from vintage to racing and remote-controlled vehicles. The latest line is already up on the website. It also includes customization options and kits keeping up with the brand's commitment to quality and full-circle offerings.
