

REC :: AICTE VAANI :: International Conference on Medical Devices, Diagnostics, Imaging & Digital Technologies

Two Day International Conference on Medical Devices, Diagnostics, Imaging & Digital Technologies (ICMDID - 2024) conducted by Rajalakshmi Engineering College in association under AICTE VAANI

Chennai, Tamil Nadu Oct 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Two Day International Conference on Medical Devices, Diagnostics, Imaging & Digital Technologies (ICMDID - 2024)

Rajalakshmi Engineering College, Chennai, is proud to announce the successful inauguration of the Two Day International Conference on Medical Devices, Diagnostics, Imaging & Digital Technologies (ICMDID - 2024), a landmark event focusing on the latest advancements in the intersection of healthcare and digital technology. The conference was completely conducted in Tamil to bridge gap between technology and regional language.

The conference, organized by the Department of Electronics and Communication Engineering is sponsored by AICTE-VAANI (Vibrant Advocacy for Advancement and Nurturing of Indian Languages) and is set to run from August 21st to 22nd, 2024. The inaugural function was held on August 21, 2024, at 8:30 AM in the Purple Hall of Rajalakshmi Engineering College. The event began with an invocation, the welcome address was given by Dr. L. Bhagyalakshmi, Professor and Head of the Department of Electronics and Communication Engineering, and Convenor of ICMDID-2024, warmly welcomed the

attendees and participants from various parts of the world.

The conference overview was addressed by Dr. T. Manikandan, Professor and Co-coordinator of ICMDID-2024, provided an insightful overview of the conference, highlighting the importance of integrating medical technology with digital innovations. Dr. S.N. Murugesan, Principal of Rajalakshmi Engineering College, delivered the Presidential Address, emphasizing the college's commitment to fostering cutting-edge research and collaboration in the fields of medical devices and digital technologies. Dr. M. Subbiah, Professor Emeritus at Rajalakshmi Engineering College, offered felicitations and expressed gratitude to the distinguished guests and participants. The inaugural address was delivered by the Chief Guest, Dr. K. Yavanarani, Scientist E and Assistant Director, Ministry of Defence, DRDO, Avadi, Chennai. Dr. Yavanarani shared her insights on the pivotal role of technological advancements in defense and healthcare, underscoring the conference's theme. The inaugural session concluded with a vote of thanks by Dr. R. Gayathri, Professor, Department of Electronics and Communication Engineering, and Coordinator of ICMDID-2024, who expressed her appreciation to all who contributed to the success of the event. ICMDID - 2024 promises to be a significant event that will bring together thought leaders, researchers, and practitioners from around the world to explore the future of medical technology and its applications. Rajalakshmi Engineering College is honored to host this prestigious event and looks forward to the valuable contributions and collaborations that will arise from this conference.

The valedictory function was held on 22 nd August , 2024, at 2:00 PM in the Administrative Block Conference Hall of Rajalakshmi Engineering College. The event began with an invocation, the summary of the conference report was given by Dr. R. Gayathri, Professor, Department of Electronics and Communication Engineering, and Convenor of ICMDID-2024. The conference valedictory address was addressed by Dr. J. Sheeba Rani, Professor, Department of Avionics, Indian Institute of Space Science and Technology, Government of India, Thiruvananthapuram who provided an insightful significance of the conference, highlighting the importance of integrating medical technology along with digital innovations in the field of space technology and avionics in terms of optimizing patient care, advancements in personalized medicines and remote monitoring. Dr. V. Murali Bhaskaran, Dean-Academics of Rajalakshmi Engineering College, delivered the Felicitation Address, emphasizing the college's commitment towards exploration and support towards establishment of research and collaboration in the fields of medical devices and digital technologies. The valedictory session concluded with a vote of thanks by Dr. T. Manikandan, Professor, Department of Electronics and Communication Engineering, and Co - Convenor of ICMDID-2024, who expressed his appreciation to all who contributed to the success of the event. ICMDID - 2024 promises to be a significant event that will bring together thought leaders, researchers, and practitioners from around the world to explore the future of medical technology and its applications. The Department of ECE, Rajalakshmi Engineering College is honored to host this prestigious event and looks forward to the valuable contributions and collaborations that will arise from this conference.
