

Sky Medical Supplies Temporarily Relocates to New Unit Within Northfield Mall

Denver, Colorado Oct 23, 2024 ([IssueWire.com](https://www.issuewire.com)) - Sky Medical Supplies LLC has temporarily moved to a new unit within the same mall to continue providing excellent service to customers. We are now located at **8354 Northfield Blvd., #1740, Denver, CO**. Though the address has changed, our dedication to providing high-quality products and exceptional customer service remains the same.

During the few months of transition, all products and services will continue to be available for our customers. Whether you are looking to purchase or rent Hospital beds, lift chairs, power wheelchairs and scooters we will go far to ensure the move won't disrupt the care and support you've come to rely on.

A Convenient Move Within the Same Mall

We're excited to announce our new location within the same mall, which ensures easy access for all our customers. We recognize how crucial convenience is, especially for medical needs, and this move allows us to keep our services readily available. We've worked hard to make the transition seamless and continue to uphold the trust you've placed in us by offering a selection of up-to-date hospital beds, reclining lift chairs, wheelchairs, and mobility scooters.

Hussien Hassen, Managing Director of Sky Medical Supplies LLC, emphasized, "Our top priority during this move is ensuring our customers continue to receive the products and services they depend on. While this is a temporary change, we are committed to maintaining the same level of care, support, and professionalism."

Wide Range of Medical Supplies

Sky Medical Supplies LLC takes pride in offering a comprehensive range of medical products. This includes equipment and daily living aids for both sale and rental, catering to the unique needs of our customers. Our extensive inventory includes:

- **Compression Socks:** We offer a wide variety of compression socks designed to improve circulation and reduce discomfort. Our selection caters to both therapeutic needs and general wellness, ensuring you find the right pair.
- **Catheters:** Whether for temporary or long-term use, we provide high-quality catheters to support patients with urinary management needs. We stock products from trusted manufacturers, ensuring safety and comfort.
- **Incontinence Supplies:** We understand the importance of dignity and convenience for individuals managing incontinence. Our range of incontinence supplies includes discreet, comfortable, and absorbent products for every need.

Additionally, we continue to offer a wide selection of **mobility aids** such as wheelchairs, walkers, and scooters, as well as **home medical equipment** like hospital beds, lift chairs, and oxygen concentrators. Our focus is on ensuring our customers have access to the highest quality medical supplies, whether they're purchasing or renting.

Expanding Partnerships for Better Products

In line with our commitment to delivering the best medical supplies, Sky Medical Supplies LLC is expanding its partnerships with leading manufacturers in the industry. This initiative enables us to offer the latest innovations, including hospital beds, lift chairs, wheelchairs, and scooters, directly to our customers.

Hussien Hassen added, “Our strong partnerships allow us to offer innovative products, such as lightweight mobility aids and advanced home medical equipment. These products are designed to improve the everyday lives of our customers. For example, our carbon fiber wheelchairs, like the Golden Cricket, are easy to lift and transport, making life easier for both the user and caregivers.”

Customer Testimonial

Mary Jane Walker, a satisfied customer, shared her experience: “The service, setup, and Hussien were all excellent! The bed was delivered and picked up on the date we needed it to and the time we needed it to—I would have kept renting the bed if Sky was in-network with Newwest. Thank you very much.”

Staying Connected

We encourage all our customers to stay connected with us for the latest updates on our temporary move and other exciting developments. We regularly share updates, product announcements, and special promotions on our website and social media channels.
