

Toasty Card Launches Emailable Global Gift Cards

Dover, Delaware Oct 7, 2024 ([Issuewire.com](https://www.issuewire.com)) - Toasty Card, a leading business gift card platform, has dramatically expanded its global reach, now offering access to more countries and brands through its secure and streamlined email gift card delivery system—all at no cost to users.

Presenting the best way to send gift cards online, Toasty Card enables gift card email delivery on a global scale, transitioning from its U.S.-only platform to becoming a truly international provider.

With today's launch, Toasty Card now offers over 30,000 digital gift card brands and prepaid cards across 91+ countries. This expansion empowers companies to reward and incentivize employees and customers worldwide, free of charge. Compensation, benefits, or marketing managers can now deliver business gift cards that are usable in countries beyond the U.S.

Toasty Card offers a seamless experience through its user-friendly, self-serve portal and business-level features, enabling companies to effortlessly manage the entire gift card process. From ordering and sending to tracking and monitoring, Toasty Card simplifies the gift card order process. The platform also

includes advanced features for tracking delivery status and resending undelivered cards.

Sungpil Kim, CEO of Wincube, said, “This global expansion marks the first of many advancements planned for Toasty Card, including integration solutions and further growth of our global catalog, all aimed at cementing our position as a leader in the global gift card industry.”
