

Wakefords Fireplace is Celebrating 40 Years of Success and Service

Supplying Fireplaces, Fires and Stoves Across Surrey For 40 Years!

Woking, Surrey Nov 1, 2024 ([Issuewire.com](https://www.issuewire.com)) - Wakefords Fireplaces, a local Surrey business, is proud to announce the celebration of its 40th anniversary on the 1st of November. Since its founding in 1984, Wakefords has grown from humble beginnings into a trusted and respected name in fireplaces and stoves. Over the last four decades, the company has stayed true to its mission of providing specialist fireplaces, while continuing to evolve with changing times and expanding its brands and services.

"It has given me great joy to build our business with the community of Woking and Surrey. Providing fireplaces and wood burners to our friends, neighbours and the wider community for the last 40 years has been fulfilling and enjoyable. I look forward to what the future holds for the business and want to thank our customers and community for the years together." – **Adam Wakeford.**

Over the past 40 years, Wakefords has expanded its offerings to include modern and contemporary fireplaces, fireplace accessories, and media wall fireplaces. Wakefords has maintained a commitment

to its customers and built lasting relationships within the local community and beyond. In addition to its business accomplishments, Wakefords is proud to work with appropriate authorities to ensure the quality of the business, achieving the Surrey trading standards approval, and connecting with [HETAS](#) and the [Gas Safety Registry](#).

*“Adam and his team installed a new wood burner earlier this year for us, they were very efficient, professional and left no mess. With the colder weather we have now started using it and have to say it far exceeds our expectations from having an open fire we knew it would be better, but my heating bill has dropped considerably this Autumn as it is capable of moving the heat to other areas of the house while leaving the lounge nice and snug. I would definitely recommend Wakeford’s, which we have used on 3 occasions over the years.” - **Graham Bullen, customer.***

About Wakefords

With over 40 years of trading, we have a huge customer database, we also know that providing customers with personal service and using top-quality materials is the best way to enhance our reputation beyond others. The fireplaces displayed on this site and in our showroom are constantly being reviewed to ensure the latest styles and products, together with well-loved favourites. In our Surrey showroom, we have various examples of what can be done using different models of stoves and fire as well as fireplaces.
