This wave of energy is coming to take over the music industry in the form of a dub-funk storm while holding hands with the new tracks '[HEAVEN AND EARTH/ NOWHERE](#)' and '[GET OUTTA MY HEAD](#)' by the dynamic duo **KingZiLLa Ft.BRO.BLAKE**. A new sub-genre which is an infusing of old-style dubstep but with unique flairs and sound manipulation has taken a recognized place in the music scene. The first new track is called '**HEAVEN AND EARTH/ NOWHERE**' which has gained a lot of love and won hearts within just a few days of its release. The unique blends of different genres along with strong and tight lyrics have made this track one of the most heard tracks by the [Nevada music producer](#) and BRO.BLAKE.

The second track '**GET OUTTA MY HEAD**' is not far behind in case of gaining a fan base as it is composed beautifully which provides a sense of refreshment and raises the spirit of the listeners. This track shows the exponential talent these two immensely talented artists have under their sleeves and how they are capable of manipulating the sound in order to make people groove to the beats and dance the night away and create a new sub-genre of dub-funk.
