

7 Centre Closes Seed Round and Strengthens Leadership Team and Advisory Board

Toronto, Ontario Nov 12, 2024 ([Issuewire.com](https://www.issuewire.com)) - 7 Centre, a technology company focused on advancing sustainable business practices, has successfully closed its seed funding round. This achievement will allow 7 Centre to accelerate the development and expansion of its next-generation sustainability platform.

“We are now well-positioned for rapid growth in the sustainability disclosure space, providing companies with tools that enhance data collection, improve stakeholder narratives, and facilitate global reporting,” said [Tanya Seajay](#), CEO of 7 Centre. “We understand the challenges enterprises face in managing their supply chains, such as limited capacity, resource constraints, building collaboration, and efficient data collection. We are ready to help companies overcome these obstacles.”

To support this momentum, 7 Centre has expanded its leadership and advisory board:

Vlasios Halicoglu Appointed as Sales Leader for Europe and Asia

[Vlasios Halicoglu](#) is an accomplished sales leader with deep expertise in technology, data, sustainability, and AI within the financial services sector. His ability to inspire teams and build strong client relationships makes him ideal to lead 7 Centre's sales initiatives in Europe and Asia.

"Joining 7 Centre is an incredible opportunity to make a meaningful impact in the sustainability space," said Vlasios. "I look forward to leading our efforts in Europe and Asia, helping clients align their sustainability practices and achieve environmental objectives with greater efficiency."

Yochai Korn Joins as Strategic Growth Advisor

[Yochai Korn](#) brings extensive expertise in strategic investment management and financial services. His experience in financial markets, data utilization, and operational excellence will guide 7 Centre's growth strategies.

Stacey MacNeil Joins as Strategic Advisor

[Stacey MacNeil](#) is a seasoned executive with over three decades of experience leading strategic communications, brand strategy, marketing, and ESG initiatives. Her expertise in building and enhancing global brands across telecommunications, aerospace, technology, and semiconductor industries will help guide 7 Centre's mission of empowering businesses toward sustainable growth.

These additions to the Advisory Board join Chairman [John MacKinlay](#), former PwC Partner, Omers Investor, and FinTech CEO, and Dan Wayner, former Chief Science Officer and Departmental Science Advisor for the National Research Council (NRC).

"We are pleased to welcome Yochai and Stacey to the board," said 7 Centre Chairman John MacKinlay. "Their extensive global leadership experience and proven expertise in business strategy, growth, communications, and marketing will be invaluable in supporting 7 Centre's long-term objectives."

About 7 Centre

7 Centre is a leading-edge technology company dedicated to advancing sustainable business practices. It provides user-friendly tools and platforms that simplify sustainability management, enhance transparency, and enable meaningful reporting. 7 Centre is focused on making sustainability accessible, practical, and impactful for enterprises worldwide.
