

A Magical Night in Budapest — Premiere of DEN BAURIN's "Moonlight"

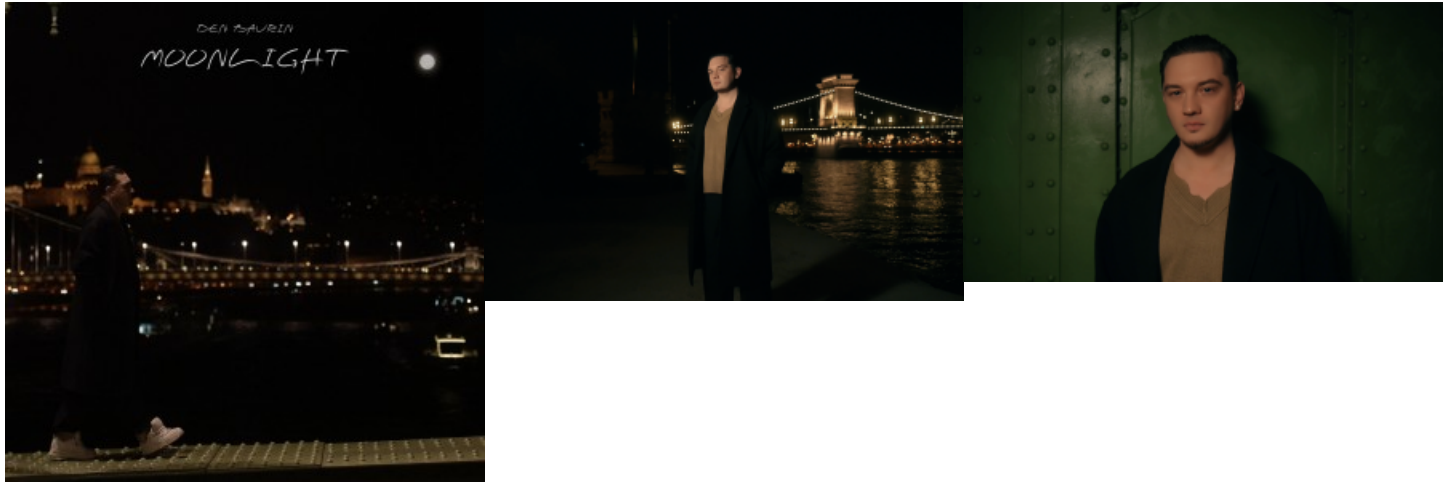

Kyyiv, Ukraine Nov 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - Renowned musician DEN BAURIN has unveiled his latest masterpiece — the music video for the track "Moonlight." Set against the enchanting backdrop of nighttime Budapest, this soulful production combines a heartfelt love story with stunning visual effects. The video was directed by the young and talented Ukrainian filmmaker Danil Belikov. "Moonlight" is a romantic ballad about love, closeness, and the timeless beauty of the night sky. Its profound lyrics and touching melody create an unforgettable atmosphere that resonates with listeners around the globe. Danil Belikov's masterful use of light, shadow, and movement adds depth and expressiveness to the visual narrative. "Working with DEN BAURIN on this project was an incredible experience. Budapest proved to be the perfect setting for telling this story of love and freedom under the stars. We aimed to create something timeless, and I believe we succeeded," shared Danil Belikov. "Moonlight" is now available on Spotify, Apple Music, and other major streaming platforms. Watch the music video on DEN BAURIN's official YouTube channel.
