Atlantic City, New Jersey Nov 2, 2024 ([IssueWire.com](https://www.issuewire.com)) - **Distro Fest 3** is set to take over **Atlantic City, NJ** from **Nov 8th to 11th, 2024** at **ACX1 Studios** at the **Pier at Caesars** promising an exhilarating celebration of creativity, music, education, and culture. Following the success of Distro Fest 1 and 2, this year's event will elevate the festival experience with an even more diverse lineup and a host of new activities designed to engage and inspire attendees including a music film festival, panels led by the top industry execs, incredible afterparties, amazing performances, and more.

Distro Fest (<https://DistroFest.com>) was created by music industry vet Rob Schwartz. "I wanted to build a music festival where our independent distribution artists can play on a major stage with headlining artists. I also wanted to build a conference around it to help teach our artists the music industry as well as potential career opportunities in entertainment". Rob is the Co-Owner and Chief Music Officer at ACX1 Studios (formerly known as Ocean One Mall at Caesars) in Atlantic City, where Distro Fest will be taking place. He is also the owner of **WHO?MAG Distribution, Governor of the Philly Chapter of the Recording Academy (Grammys)**, member of the **Guild of Music Supervisors**, and an international music industry speaker.

Distro Fest 1 laid the foundation as a vibrant gathering for musicians, artists, and industry execs featuring standout performances from established acts and emerging indie artists. Last year's Distro Fest 2 built upon this legacy, drawing larger crowds and showcasing a wider array of talent, including surprise guest performances and panels led by industry veterans.

Distro Fest 3 will feature legendary performers like **Pretty Poison, Paul Anthony (Full Force), Tuff Crew, Mikey D, Dinco D (Leaders of the New School), Gina Thompson**, and more. It will also feature performances by social media stars like **Andie Case** (1.4 million YouTube subs), **Andy Darling** and **DJ Soulchild AC** (both with over 1 million TikTok followers), and 8 yr old **Zoe Erianna** (over 660,000 IG followers). Other performers include **EYJAA** (Iceland), **Chief Reckah** (Toronto), **VALE!ULB ft. 3x Grammy winning producer Deezele (Drake, Nicki Minaj, & Lil Wayne), AGT's Camille K, Vaultt Music** (L. Haggood, Silence Da 5th, Coke, and Grammy Nominated Fantom of the Beat), **BeyonDaFence Ent.** (David Benton, Shay Samuels, and DeeBeeJr.), **Gran Centennial, Mill of Fire's Fire Nation Flamez**, & many more.

This year incredible panelists include speakers who worked for or are currently at **Spotify, Sentic Publishing, ReverbNation, Ubisoft Video Games, The MLC, The Recording Academy (The Grammys), .DotHipHop, iHeart Radio, SiriusXM, Groover, AllHipHop, SAG-AFTRA, Sync Summit, Summer Stage, Beatstars, Soundcloud, Sync Licensing/Music Supervisors, DJs, Grammy Winning Music Producers**, and other major industry execs.

Thank you to our sponsors The Recording Academy (Grammys) Philly Chapter, The MLC, SPIN Magazine, .HipHop, T. Marquise Entertainment, Groover, BeyonDaFence, Vaultt Music, Mill of Fire LLC, Gran Centennial, Planet of the Tapes, Sync Summit, Pepsi, Senate DJs, Untouchable DJs, Splash 98.5 FM, and Music Sups.
