Michael Anthony Breaks Barriers with New Single "HEADLOCK"

Athens, Georgia Dec 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - Music producer Michael Anthony, known for his multi-platinum songwriting and production, has had an illustrious career spanning over 35 years and has made a triumphant return to the music industry after a 25-year hiatus. His highly anticipated single "HEADLOCK" is now available on over 150 platforms worldwide, including Spotify, Apple Music, and more. Distributed by Ditto, "HEADLOCK" represents a groundbreaking moment in music innovation and creativity.

The Power of Innovation

“HEADLOCK” isn’t just another song—it’s a testament to how Artificial Intelligence has leveled the playing field, eliminating traditional financial barriers. Speaking about his return, Michael Anthony shared, “The game has changed in two ways. Thanks to the internet, the ability to reach a worldwide audience of any age group is unparalleled. And thanks to Artificial Intelligence, you can now create a multimillion-dollar music video for less than \$1,000.”

A Career of Excellence

Born in New Rochelle, NY, and now based in Athens, GA, Michael Anthony has worked with legends like Dionne Warwick, BLAQUE, Lisa Left Eye Lopes, and more. His discography includes tracks such as:

Whistle (Select Records): Get The Love, Jennifer, Special, Always, and I Appreciate

Blaque (Sony Music): I Do, Right Next to Me, Stay by Your Side

Michael Anthony (Independent): HEADLOCK

Michael’s career has been defined by both extraordinary talent and resilience. Despite the challenges of limited capital in the past, his vision remains unwavering: to create opportunities and empower others.

The Inspiration Behind "HEADLOCK"

“HEADLOCK” was born out of a challenge: to craft a track for a movie scene set in an adult nightclub. The directive? To make it provocative enough for the scene while maintaining its radio-friendly appeal. The result is a sultry yet tasteful Southern Soul hit that’s already capturing audiences around the globe.
