Dedicated to the Health and Readiness of Soldiers at Irwin Army Community Hospital, Fort Riley

New York City, New York Nov 21, 2024 ([Issuewire.com](https://www.issuewire.com)) - Allen R. Byrne Jr., APA-C, MPAS, a certified physician assistant at Irwin Army Community Hospital, has made significant contributions to military medicine and patient care. With a focus on preventing and treating illnesses and injuries, Allen embodies the spirit of service and dedication to the health of soldiers and their families at this esteemed

US Army medical facility in Fort Riley, Kansas.

A 2012 graduate of the Interservice Physician Assistant Program, Allen is certified by the National Commission on Certification of Physician Assistants (NCCPA), the authoritative body responsible for credentialing physician assistants across the United States. His extensive training and commitment to excellence enable him to provide a broad range of medical care under the supervision of a physician, making him a vital asset to the Irwin Army Community Hospital team.

In his capacity as a senior physician assistant with the 4th Security Force Assistance Brigade (SFAB), Allen has played a crucial role in enhancing the health and readiness of military personnel. His expertise as an aeromedical physician assistant for the 4th Attack Reconnaissance Battalion, 4th Aviation Regiment, 4th Combat Aviation Brigade, and 4th Infantry Division has been instrumental in ensuring the well-being of soldiers engaged in critical aviation operations.

In recognition of his outstanding contributions to military medicine, Allen was awarded the prestigious Spurgeon H. Neel U.S. Army Distinguished Flight Surgeon Award on May 10, 2019, at a ceremony held at the Antlers Hotel in Colorado Springs. This prestigious award highlights his commitment to excellence in patient care, especially in the challenging field of aeromedical operations.

Allen's dedication to his profession and the soldiers he serves is evident in his daily practice at Irwin Army Community Hospital. He continues to advocate for the health and wellness of the military community, demonstrating an unwavering commitment to their care and support.

As Irwin Army Community Hospital continues to provide high-quality medical services, Allen R. Byrne Jr. stands out as a remarkable example of the skilled professionals dedicated to serving those who serve our country. His achievements not only reflect his dedication but also the collective mission of the medical team at Fort Riley.
