

ATI Home Inspector Training Teams Up with TikTok Star and ATI Certified Alumni Preston Kincaid aka “Inspector Preston”

The graphic features two men, Preston Kincaid and Scott Newcomer, against a black background. Preston Kincaid, on the left, has a beard and is wearing a black polo shirt with a red collar. Scott Newcomer, on the right, is wearing a black polo shirt. Text overlays include: '@inspector_preston' with a TikTok logo in the top left; 'Scott Newcomer The "Godfather" of Home Inspection Training' in the top right; 'BECOME A QUALIFIED HOME INSPECTOR' in large white and red letters in the center; 'THE #1 HOME INSPECTION TRAINING ACADEMY' below that; three circular logos (ATI Training Academy, AAHI, and Approved) on the bottom left; and a list of benefits on the bottom right: 'Exclusive exam pass rate guarantee', 'Lifetime AAHI instructor support', and '10-step business success program'. At the bottom, a large orange and white banner reads 'Teamwork Makes the Dream Work!'.

Houston, Texas Nov 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - ATI Home Inspector Training is excited to announce a new partnership with Inspector Preston Kincaid, an ATI alum and TikTok sensation who has garnered over 5 million likes, 325k followers, and 96 million views with his insightful and entertaining content. Now, Preston is returning to help aspiring home inspectors excel in their careers, sharing the valuable knowledge that contributed to his own success!

Since becoming a Board-Certified Master Inspector on April 23, 2024, Preston has cemented his reputation as a go-to expert in the home inspection world. Known for his keen eye, friendly style, and sense of humor that keeps his audience coming back for more, Preston brings a breath of fresh air to the industry. Through this partnership, ATI students will get to learn from someone who's been in their shoes, bringing real-world tips, a few laughs, and a whole lot of confidence to the classroom.

“We’re beyond excited to have Preston on board,” said Scott Newcomer, Founder of ATI Home Inspector Training. “His knack for connecting with people, both on-site and on-screen, fits perfectly with

our mission to deliver top-notch training. Plus, he's proof that becoming a home inspector can be both successful and fun. We can't wait to see the next wave of inspectors he inspires!"

From dodging common pitfalls to mastering advanced techniques, Preston's content covers it all—with plenty of wit and charisma. He's passionate about equipping the next generation of inspectors with everything they need to succeed, not just in the classroom but in real life.

"ATI Home Inspector Training gave me the foundation I needed to build my career," said Preston. "Now, I'm excited to share what I've learned, help new inspectors build their confidence, and maybe crack a few jokes along the way. We're going to make this journey as informative as it is fun!"

Ready to Start Your Home Inspection Journey?

Be sure to follow ATI Training and Preston Kincaid "Inspector Preston" on TikTok for tips, tricks, and a behind-the-scenes look at what it takes to succeed as a home inspector.

About ATI Home Inspector Training:

At ATI, our mission is to provide the most comprehensive, flexible, and engaging home inspection training available. With our online or classroom courses, you can become a licensed home inspector in just a few weeks. Most students complete our self-paced online course in 2-3 weeks, while our TREC Approved, Texas live classroom training wraps up in 7-30 days. Livestream classes are available in most states. For states requiring field training, we've got you covered too—learn at your pace, on your terms.
