

Beyond Business Virtual Assistants Offers Exclusive Black Friday Discounts for New Clients

Beyond Business Virtual Assistants (BBVA) announces an exclusive Black Friday promotion offering up to 50% off virtual assistant services. New clients can sign up on the BBVA website and use the code to access the discount.

Furlong, Pennsylvania Nov 14, 2024 ([Issuewire.com](https://www.issuewire.com)) - Beyond Business Virtual Assistants (BBVA), a leading provider of remote business support, is excited to announce a limited-time Black Friday promotion that will allow businesses to unlock discounts of up to 50% on virtual assistant services. Starting on Black Friday, November 29, 2024, BBVA will offer exclusive savings for clients who sign up via their website using the code **BFBBVA2024**.

BBVA, known for its exceptional virtual assistant services, has been a trusted partner for businesses looking to streamline their operations and enhance productivity. With the fast-paced demands of the holiday season approaching, BBVA is offering this opportunity to help entrepreneurs, small businesses, and busy professionals stay organized and ahead of the competition.

"Black Friday is a time to take advantage of amazing deals, and we wanted to extend this tradition to our clients by offering significant savings on our virtual assistant services," said **Harry Bayta**, Chief Operating Officer at BBVA. "We understand the pressures businesses face, especially during the holidays, and our goal is to provide a reliable support system that helps our clients focus on what they do best."

BBVA's virtual assistant services include a range of support options, from administrative tasks such as managing emails and scheduling appointments to more specialized services like content creation and customer support. Clients can tailor the services to fit their specific needs, ensuring that every business receives the right kind of assistance.

This Black Friday promotion is available exclusively for new clients. To take advantage of the discounts, all clients need to do is visit the BBVA website, sign up, and enter the promo code **BFBBVA2024** at checkout. The discounts apply to both short-term and long-term virtual assistant packages, making it an ideal opportunity for businesses of all sizes to experience the benefits of remote assistance without breaking the bank.

"This year, we want to make it easier than ever for businesses to delegate tasks and focus on growth," Bayta added. "Our virtual assistants are here to help with everything from inbox management to project coordination, giving clients the flexibility to expand without the added overhead."

The Black Friday promotion is only available for a limited time, so interested clients are encouraged to act quickly. The offer is valid until December 6, 2024, allowing businesses a full week to sign up and secure their discount.
