

Bhageeradh Harsha Mulpur, MD: A Leader in Neurointerventional Care at Huntsville Hospital

Enhancing Neuroscience Services for North Alabama and Southern Tennessee

New York City, New York Nov 14, 2024 ([IssueWire.com](https://www.issuewire.com)) - Bhageeradh Harsha Mulpur, MD, a distinguished neurointerventionalist and neurohospitalist, is proud to be an addition to the esteemed medical staff at Huntsville Hospital. With a commitment to advancing patient care, Dr. Mulpur plays a pivotal role in providing comprehensive neurological services at the 881-bed hospital, which serves as the regional referral center for North Alabama and southern Tennessee.

Dr. Mulpur brings extensive expertise in the endovascular evaluation and management of acute ischemic stroke, aneurysms, cerebrovascular traumatic injuries, arteriovenous fistulas, as well as intracranial and extracranial atherosclerotic disease. His proficiency extends to both inpatient and outpatient management of neurological cerebrovascular patients, including those suffering from ischemic and hemorrhagic strokes, subarachnoid hemorrhages, and seizures.

A proud alumnus of the University of Alabama at Birmingham, Dr. Mulpur completed his Bachelor of Science Degree in Biology in 2010 and earned his Doctor of Medicine Degree from the Marnix E. Heersink School of Medicine in 2017. He further honed his skills during his residency at the prestigious Cleveland Clinic in 2021, followed by specialized fellowships in vascular neurology at the University of Miami/Jackson Health System in 2022 and neuroendovascular surgery/interventional neurology at Semmes Murphey Clinic in 2024.

Dr. Mulpur is a diplomate of the American Board of Psychiatry and Neurology and has been recognized for his excellence in teaching and patient care. His accolades include the Best Resident Teacher Award and the Caregiver Teaching Award in 2021, as well as multiple Caregiver Appreciation Awards and a Certificate of Excellence in 2019, underscoring his dedication to compassionate care and educational leadership.

In addition to his clinical work, Dr. Mulpur is actively involved in community initiatives. He has served as the neurology residency quality officer and contributed to the Cerebrovascular Center Community Outreach Program, promoting awareness and support for cerebrovascular health. His commitment to serving others extends to his past participation in an Outreach Abroad Medical Mission Trip, where he provided medical care to underserved communities.

Huntsville Hospital is excited to have Dr. Mulpur on board, whose expertise will significantly enhance the hospital's commitment to providing exceptional care in neurology and interventional procedures for the community.
