

Dedication in Action: Marilyn Hodges, RRT-NPS, at St. Jude Children's Research Hospital

Pioneering Pediatric Respiratory Therapy to Improve Young Lives at One of the Nation's Leading Children's Hospitals

New York City, New York Nov 13, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Marilyn Hodges, RRT-NPS, is making significant strides in the field of pediatric respiratory therapy as a registered respiratory therapist at St. Jude Children's Research Hospital in Memphis, Tennessee. With a deep-rooted passion for her specialty and an unwavering commitment to improving the lives of young patients, Marilyn is a vital part

of the exceptional team at St. Jude, which is renowned for its dedication to treating and defeating childhood cancer and other life-threatening diseases.

St. Jude Children's Research Hospital is at the forefront of pediatric medicine, leading the way in understanding, treating, and ultimately conquering childhood cancer and other serious illnesses. The hospital is recognized internationally for its groundbreaking research and innovative treatments, with a vision that aligns with its founder, Danny Thomas, ensuring that no child is denied treatment based on race, religion, or a family's financial situation. As the first and only National Cancer Institute-designated Comprehensive Cancer Center dedicated solely to children, St. Jude has consistently been ranked among the top children's cancer hospitals in the United States by U.S. News & World Report since the inception of these rankings in 2008.

Marilyn exemplifies the spirit of dedication and excellence at St. Jude. A Diplomate of the National Board for Respiratory Care, she is also an active member of the American Association for Respiratory Care, demonstrating her commitment to ongoing education and professional development. Her expertise in respiratory therapy is essential in providing comprehensive care to children facing complex health challenges.

In recognition of her exceptional service, Hodges was awarded the Service First Champion award by Baptist Memorial Hospital for Women in 2006. Her passion for her profession is evident in her continuous pursuit of the latest advancements in respiratory technology, which she finds immensely rewarding. "Every day, I strive to make a difference in the lives of our patients," Hodges stated. "It is a privilege to be part of a team that works tirelessly to bring hope and healing to children and their families."

As St. Jude Children's Research Hospital continues its mission to advance pediatric healthcare, the contributions of dedicated professionals like Marilyn Hodges remain invaluable in transforming the lives of children battling serious illnesses.
