

Dr. Charlene Sojico: A Pillar of Pediatric Care in Savannah, Georgia

Celebrating Over Three Decades of Compassionate Healthcare for Children

New York City, New York Nov 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Charlene Sojico, a dedicated pediatrician with over 30 years of experience, continues to make a profound impact on the health and well-being of children in Savannah, Georgia. Known for her compassionate approach and expert medical advice, Dr. Sojico has established a reputable private practice that prioritizes the needs of families and their children.

Academically, her distinguished career began with her graduate degree from the University of East Ramon Magsaysay in 1980, where she laid the groundwork for her medical expertise. Following her graduation, she completed an internship at the Hospital of Manila in 1981, gaining hands-on experience that would shape her future in pediatric medicine.

In pursuit of further excellence, Dr. Sojico relocated to the United States, completing her residency at the prestigious Mount Sinai Medical Center of Cleveland in 1988. During this critical period, she developed specialized skills in pediatric care and cultivated a deep understanding of the unique health challenges faced by children. Her commitment to ongoing education ensures that she remains at the forefront of advancements in pediatric medicine, providing her patients with the highest standard of care.

In addition to her thriving private practice, she is an integral member of the medical staff at Memorial Health University Medical Center. Here, she collaborates with a dedicated team of healthcare professionals to deliver comprehensive care, emphasizing preventive measures and education to empower families in managing their children's health.

Dr. Sojico's approach to medicine is built on the foundation of trust and understanding. She believes in fostering lasting relationships with her patients and their families, recognizing that open communication is essential for effective healthcare. Her dedication extends beyond the clinic, as she actively participates in community initiatives aimed at promoting children's health and well-being.
