

Dr. Daniel Kohanchi: A Pioneer in Dental Anesthesiology Committed to Patient Care

Los Angeles Native Combines Dental Expertise with Anesthesiology to Enhance Patient Experiences

New York City, New York Nov 5, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Daniel Kohanchi, a distinguished dentist anesthesiologist at SoCal Sleep Dentistry, is making waves in the field of dental care by seamlessly integrating his extensive training in anesthesiology with his passion for dentistry.

Raised in Los Angeles, his journey began at the University of California Irvine, where he earned his undergraduate degree in biology with honors. He furthered his education at the prestigious University of Southern California, graduating with high honors from dental school. His unique blend of skills in medicine, pharmacology, and physiology has positioned him as a leader in providing safe and effective anesthesia for dental procedures.

Subsequently, Dr. Kohanchi completed his residency in dental anesthesiology at the renowned University of Pittsburgh Medical Center. His rigorous training included rotations in various medical fields such as internal medicine, critical care, pediatrics, and cardiology. This diverse experience enabled him to master anesthesia administration for a wide array of surgical procedures, ranging from general surgery to maxillofacial and pediatric dentistry.

A significant highlight of his training was his work at the Center for Patients with Special Needs. Here, he dedicated his efforts to treating hundreds of patients who were often turned away from conventional dental practices. His compassionate approach has been particularly impactful for children and patients with special needs, who typically face challenges in receiving dental care. Dr. Kohanchi's commitment to these vulnerable populations underscores his belief in providing access to quality care for all.

As a member of several esteemed organizations, including the American Society of Dentist Anesthesiologists and the California Dental Association, Dr. Kohanchi remains at the forefront of advancements in dental anesthesiology. He is also certified in Pediatric Advanced Life Support (PALS), Advanced Cardiac Life Support (ACLS), and Basic Life Support (BLS), ensuring that he is well-equipped to handle any situation that may arise in a dental setting.
