

Dr. Gema Island: A Champion of Pediatric Dental Care at Island Children's Dentistry

Dedicated to Delivering Gentle, High-Quality Dental Care for Children and Families

New York City, New York Nov 20, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Gema Island, a highly respected pediatric dentist and founder of Island Children's Dentistry, is committed to providing exceptional dental care tailored specifically for children. With a strong academic background, extensive research experience, and clinical expertise, Dr. Island ensures that her young patients receive the best care in a nurturing and supportive environment.

Since founding Island Children's Dentistry in 2014, she has been driven by her mission to create a positive dental experience for children. As a Diplomate of the American Board of Pediatric Dentistry and a Fellow of the American Academy of Pediatric Dentistry, she brings a wealth of knowledge and training to her practice. She completed her residency at TUFTS University in Boston, MA, where she received the prestigious Bates Award for her groundbreaking research and won the Esthetic Dentistry Challenge in her final year.

Beyond the clinical setting, Dr. Island actively participates in various community outreach initiatives, including the International Esperanza Project, where she provides essential dental care to underprivileged children in Guatemala. This commitment reflects her belief that every child deserves access to quality dental care, regardless of their circumstances.

At Island Children's Dentistry, she employs the latest techniques and state-of-the-art equipment to ensure that each child's dental visit is as comfortable and stress-free as possible. She holds a special permit from the State of Virginia, allowing her to provide conscious oral sedation and IV sedation options for anxious patients. Additionally, her expertise in Laser Dentistry helps reduce pain and anxiety, making dental visits a more pleasant experience.

As a mother of two, Becky and Eddie, Dr. Island understands the importance of minimizing fears associated with dental visits. Her compassionate approach combines professional expertise with a nurturing touch, ensuring that both children and their parents feel comfortable and informed throughout the treatment process.

When she's not caring for her patients, she enjoys playing tennis, attending ballet performances, and traveling with her family. Her passion for helping others and her commitment to excellence make her a valued member of the dental community.
