

Dr. Jesse E. Otero: A Leader in Advanced Joint Reconstruction at OrthoCarolina Hip and Knee Center

Bringing Expertise in Advanced Orthopedic Techniques to OrthoCarolina Hip and Knee Center

New York City, New York Nov 15, 2024 ([IssueWire.com](https://www.issuewire.com)) - A former fellow at OrthoCarolina, Dr. Otero brings a wealth of knowledge and expertise in adult hip and knee reconstruction to its esteemed Hip and Knee Center, having completed his residency in orthopedic surgery at the prestigious University of Iowa Hospitals and Clinics. He earned his medical degree from Washington University in St. Louis School of Medicine, establishing a strong foundation in orthopedic care.

In his clinical role, he specializes in a range of advanced procedures, including anterior hip replacement, total hip arthroplasty, and robotic-assisted knee surgeries. His commitment to patient-centered care is evident in his dedication to providing comprehensive treatment options for those suffering from hip and knee conditions. He also has significant experience in complex joint reconstruction, revision surgeries, and addressing prosthetic joint infections, making him a valuable addition to the OrthoCarolina team.

In his ongoing pursuit of excellence, Dr. Otero is actively involved in professional organizations. As a fellow of the American Academy of Orthopaedic Surgeons and a member of the American Association of Hip and Knee Surgeons, he is committed to staying at the forefront of orthopedic advancements. Additionally, he serves as a reviewer for several renowned medical journals, including the Journal of Arthroplasty and the Journal of Bone and Joint Surgery, contributing to the ongoing dialogue and research in the field.

Dedicated to teaching and leadership within the orthopedic community, he is a faculty member in the Atrium Health orthopaedic residency program, and he trains fellows in adult hip and reconstruction at the OrthoCarolina Hip and Knee Center. His involvement in these teaching activities demonstrates his commitment to fostering the next generation of orthopedic surgeons and promoting diversity within the field.
