

Dr. Pretorius: A Leading Endocrinologist in Blue Ash, Ohio

Committed to Comprehensive Patient Care

New York City, New York Nov 27, 2024 ([IssueWire.com](https://www.issuewire.com)) - A highly regarded endocrinologist with over 25 years of experience, Dr. Pretorius continues to provide exceptional outpatient clinical and inpatient hospital care for patients with endocrine, metabolic, neuroendocrine, and nuclear medicine concerns at his private practice in Blue Ash, Ohio. His dedication to patient care and advanced medical expertise make him a vital resource for individuals facing a wide range of health challenges.

Dr. Pretorius and his certified nursing and physician staff prioritize both acute and chronic patient needs, offering specialized care for conditions such as diabetes, thyroid disorders, adrenal issues, resistant hypertension, insulin resistance, and various neuroendocrine diseases, including acromegaly and prolactinoma. His practice also addresses cognitive impairment issues, from mild cognitive impairment to Alzheimer's disease, as well as neurological challenges like stroke and vascular dementia.

Affiliated with prominent hospitals such as Bethesda North Hospital, Christ Hospital, Good Samaritan Hospital, and The Jewish Hospital – Mercy Health, he ensures his patients have access to comprehensive care across a variety of settings. His commitment to excellence is reflected in his status as a Fellow of the American College of Physicians (FACP) and his memberships in several prestigious organizations, including the American College of Radiology, the Ohio State Medical Association, and the American Association of Clinical Endocrinology.

A graduate of New York University Grossman School of Medicine, Dr. Pretorius completed his residency in internal medicine at the University of Texas Health Science Center - San Antonio, followed by a residency in nuclear medicine at the University of California, San Diego, and a fellowship at Tulane University School of Medicine. He is board-certified in endocrinology, diabetes & metabolism, and internal medicine by the American Board of Internal Medicine (ABIM).

As a testament to his continued education, he holds certifications in Advanced Cardiac Life Support and Basic Cardiac Life Support. He is also recognized as an Ohio State Certified Nuclear Medicine Technologist and an Ohio State Registered Phlebotomist, further enhancing his capability to provide holistic patient care.

In addition to his professional accomplishments, Dr. Pretorius is multilingual, speaking English, French, German, and Spanish, which allows him to connect with a diverse patient population. His commitment to patient care and medical excellence continues to make a positive impact in the Blue Ash community.
