

Dr. Sanjeev Kaul: A Leading General Surgeon and Trauma Specialist at Hackensack Meridian Health

Combining Surgical Expertise with Compassionate Patient Care

New York City, New York Nov 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - A board-certified trauma and surgical critical care specialist, Dr. Kaul is affiliated with Hackensack Meridian Health in New Jersey. With an unwavering commitment to surgical excellence and patient-centered care, he brings a wealth of knowledge and experience to the health network.

About his educational pursuits, he received his medical degree from Maulana Azad Medical College, followed by a rigorous residency in General Surgery at Beth Israel Medical Center. He further honed his expertise during a fellowship in Trauma and Surgical Critical Care at the University of Medicine and Dentistry of New Jersey. His comprehensive training and dedication to the field make him a suitable addition to Hackensack Meridian Health, where he will not only treat patients but also educate the next generation of surgeons.

With a special interest in complex abdominal wall reconstruction, acute necrotizing pancreatitis, complex wounds, and re-operative surgery, Dr. Kaul is well-equipped to tackle some of the most challenging surgical cases. He skillfully performs both open and laparoscopic surgeries, ensuring that his patients receive the most effective and least invasive treatments available.

His approach to patient care is deeply rooted in compassion and empathy, guided by his philosophy: "Do unto others as you would have others do unto you." This philosophy drives him to treat each patient with the utmost respect and understanding, creating an environment where patients feel valued and cared for.

In addition to his clinical work, Dr. Kaul is passionate about research and innovation in surgery. He actively engages in research initiatives aimed at improving surgical outcomes and advancing the field of trauma and critical care. His commitment to academic excellence ensures that he remains at the forefront of surgical advancements, ultimately benefiting his patients.
