

Dr. William Stetson: A Pioneer in Orthopaedic Surgery and Sports Medicine

Combining Athletic Expertise and Medical Innovation to Transform Lives

New York City, New York Nov 20, 2024 ([Issuewire.com](https://www.Issuewire.com)) - A highly esteemed orthopedic surgeon and sports medicine specialist, Dr. Stetson is making waves in the medical community with his extensive experience, dedication to patient care, and commitment to education. With over 25 years of surgical expertise, he is fellowship trained in arthroscopic surgery and board certified by the American Board of Orthopaedic Surgery (ABOS). His practice focuses on the arthroscopic and reconstructive

surgery of the shoulder, knee, and elbow, making him a sought-after expert for athletes and active individuals alike.

In 2020, Dr. Stetson co-founded Stetson Lee Orthopaedics and Sports Medicine with Dr. Christopher Lee, establishing a clinic dedicated to providing top-tier orthopedic care in a private practice setting. Their shared vision is to combine clinical excellence with a personalized approach to treatment, ensuring patients receive the highest quality care tailored to their individual needs.

As one of the team physicians for the United States Men's and Women's Indoor Olympic Volleyball Teams and the United States Olympic Committee, he has played a pivotal role in supporting athletes at the highest level. Notably, he served as the Olympic Team Volleyball Physician for the United States during the London Olympics in 2012. His expertise has earned him recognition as one of the country's "Top Doctors" for over a decade, and he actively shares his knowledge through various media appearances and published articles in national sports publications.

A passionate advocate for education, Dr. Stetson has dedicated much of his career to teaching and mentoring. His international work includes lecturing on arthroscopic surgery techniques in countries such as Cuba, China, and Romania. His efforts in Cuba earned him the title of Professor Emeritus of Havana University, while he currently serves as a Visiting Professor of Orthopaedic Surgery at "Victor Babes" University of Medicine and Pharmacy in Romania. Locally, he is an Associate Voluntary Clinical Professor at the University of Southern California, where he instructs orthopedic residents and medical students.

Dr. Stetson's philanthropic endeavors are exemplified through his non-profit organization, Operation Arthroscopy. This initiative aims to provide orthopedic surgery and arthroscopy services to underserved communities worldwide. His humanitarian work has included missions to Haiti, Cuba, Vietnam, Romania, and Peru, as well as performing pro bono surgeries for those in need at his Burbank surgical center.

An accomplished athlete himself, Dr. Stetson was a two-time NCAA All-American volleyball player at the University of Southern California, where he also earned recognition as the Student Athlete of the Year in 1982. His commitment to sports and education has been acknowledged with numerous accolades, including the NCAA Silver Anniversary Award, which honors former student-athletes who excel in their professions.
