The agency has come up with a special **Thanksgiving Day Sale** which will offer a huge **discount of 15%** on its promotional services. Music artists on SoundCloud can avail of the discount from **November 5 to**

November 14. Music artists can obtain a discount within this period and witness a high rise in their number of listeners, likes, and plays. They are encouraged to opt for the offer to secure a reasonable deal that comes with a handful of advantages.

The [SoundCloud Promotion Services](#) offered by the agency are divided into four main packages. Starting with the SoundCloud Marketing Package is perfect for emerging music artists who are trying to gain organic exposure from relevant audiences. It can help to gain around **13K - 14K listeners** along with 130+ Likes and 70+ Reposts. Similarly, there is the SoundCloud Marketing Weekly Pack which can help to get around **15K - 16K listeners**, 90+ Reposts, and 200+ likes with a lot of online engagement. Music artists can also enjoy the benefits of a paid press release distribution service. It is a subscription-based model that allows gaining 15% more listeners.

Music Promotion Club also offers SoundCloud Promotion Package which is highly effective just like the previously mentioned packages. It offers around **31K - 32K listeners**, 130+ reposts, and 260+ likes which makes this pack an integral need for every artist on SoundCloud. The agency also provides a custom banner along with the service which can help to promote further. Last but not least, there is SoundCloud Promotion Weekly Package which comes with daily 6-8 hours of Social Sharing for around a week and helps to create a huge social buzz in the niche music scene. Other than paid PR, it also comes with two blogs and two reviews; adding more digital footprint. It offers 300+ Likes with 260+ Reposts and around **36K - 37K listeners**. Video promotion and email marketing are also parts of it.

Music Promotion Club is capable of catering to unique promotional needs for all kinds of artists as it offers [Custom services for music promotion](#). The custom package can be designed based on different elements of **content marketing, sponsored promotion, plays boosting, website creation**, and many others. Music artists can set their required number of plays, choose from the diversified content options like **Press Release, Music Blogs, Reviews**, and **Interviews** as well as an opportunity to get featured in a global digital music magazine. They can boost their reach with **Facebook, Instagram**, and **Google Ads** sponsored promotions. To help music artists survive in this digital age, the company also offers **Music Website creation** services.

The latest Thanksgiving Sale offered by **Music Promotion Club** is applicable on all packages and artists can get a **15% discount** on their customer orders too. Artists are recommended to hurry up and take complete advantage of this offer from **November 5 to November 14**. Visit the website to know more.
