New York City, New York Nov 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Gina Marie Dileo, RN, BSN, a dedicated healthcare professional with multiple credentials, is making waves in the nursing field as the CEO and Founder of Compassionate Nurse, LLC. With her extensive experience as a Board Certified Nurse Coach Holistic Nurse, and Registered Nurse, Gina Marie operates remotely in Oviedo, Florida and

throughout the United States, providing quality care and support to patients in need.

Graduating with an Associate of Science Degree in Registered Nursing from Valencia College in 2008, Gina Marie has built a reputable career in nursing. She honed her skills at Oviedo Medical Center from February 2019 to May 2020 and AdventHealth from June 2010 to November 2021. Following her tenure in traditional healthcare settings, she recognized the need for a more personalized approach to patient care, which led her to establish Compassionate Nurse, LLC.

Gina Marie's mission is clear: to ensure her patients not only receive the medical care they need but also to empower them to achieve optimal health and well-being. By working remotely, she can reach a broader audience, providing essential services tailored to each individual's unique needs. Her holistic approach emphasizes the interconnectedness of mind, body, and soul, helping clients identify and overcome barriers that hinder their overall wellness.

As a Board Certified Nurse Coach, Gina Marie specializes in guiding her clients through the process of self-discovery and healing. She employs evidence-based techniques alongside compassionate support, allowing her clients to confront fears and limiting beliefs that may be obstructing their path to happiness and fulfillment. Her goal is to help individuals reclaim their health, happiness, and freedom by addressing not just the physical aspects of wellness, but the emotional and spiritual components as well.

In a world that increasingly demands remote healthcare solutions, Gina Marie Dileo stands at the forefront, innovating how nursing care can be delivered. With an active license in over 40 states, she is poised to make a significant impact on the lives of countless individuals across the nation.
